1 *The Black Velvet Band*

D
In a neat little town they called Belfast
A
Apprentice to trade I was bound
D *Bm*
And many an hour sweet happiness
G *A* *D*
Have I spent in that neat little town
D
As sad misfortune came over me
A
Which caused me to stray from the land
D *Bm*
Far away from me friends and relations
G *A* *D*
Betrayed by the black velvet band

D
Her eyes they shown like diamonds
A
I thought her the queen of the land (And she
was!)
D *Bm*
And her hair, it hung over her shoulder
G *A* *D*
Tied up with a black velvet band

I took a stroll down broadway
Meaning not long for to stay
When who should I meet but this pretty fair maid
Come a-traipsing along the highway
She was both fair and handsome
Her neck, it was just like a swan
And her hair, it hung over her shoulder
Tied up with a black velvet band

(Chorus)

I took a stroll with this pretty fair maid
And a gentleman passing us by
Well, I knew she meant the doing of him
By the look in her roguish black eye
A gold watch she took from his pocket
And placed it right into my hand
And the very first thing that I said, was
Bad 'cess to the black velvet band

(Chorus)

Before the judge and the jury
Next morning, I had to appear
The judge, he says to me:
"Young man, you're case it is proven clear
Seven long years penal servitude
To be spent far away from the land
Far away from your friends and relations
Betrayed by the black velvet band"

(Chorus)

So come all you jolly young fellows
A warning take by me
When you are out on the town, me lads
Beware of the pretty colleens
They'll feed you with strong drink (Oh yeah!)
'Till you are unable to stand
And the very first thing that you'll know is
You've landed in Van Diemens Land

(Chorus)

2 *Three Score and Ten*

^G
Methinks I see a host of craft
^C
Spreading their sails alee
^D ^G
Down the Humber they do glide
^D
All bound for the Northern Sea
Me thinks I see on each small craft
A crew with hearts so brave
Going out to earn their daily bread
Upon the restless wave

(Chorus) And it's ^Gthree score and ten
Boys and men were ^Clost from Grimsby ^Gtown
^D ^G
From Yarmouth down to Scarboro
Many hundreds more were ^Ddrowned
^G
Our herring craft, our trawlers
^C ^G
Our fishing smacks, as well
^D
They long did fight that bitter night
^G
The battle with the swell

Methinks I see them yet again
As they leave this land behind
Casting their nets into the sea
The herring shoals to find
Me thinks I see them yet again
They're all on board all right
With their nets rolled up and their decks cleaned
off

And the side lights burning bright

(Chorus)

Me thinks I've heard the captain say
"Me lads we'll shorten sail"
With the sky to all appearances
Looks like an approaching gale
Me thinks I see them yet again
Midnight hour is past
The little craft abattling there
Against the icy blast

(Chorus)

October's night brought such a sight
Twas never seen before
There were mast and yards and broken spars
A washing on the shore
There were many a heart in sorrow
Many a heart so brave
There were many a fine and hearty lad
That met a watery grave

(Chorus)

3 *The Wild Rover*

^G ^C
I've been a wild rover for many's the year
^G ^D ^G
and I've spent all my money on whiskey and beer.
^G ^C
But now I'm returning with gold in great store
^G ^D ^G
and I never will play the wild rover no more

(Chorus) And it's ^Dno, nay, never, ^{D7}
^G ^C
no, nay, never, no more
^G ^C
will I play the wild rover
^G ^D ^G
no, never, no more

I went into an ale-house I used to frequent
and I told the landlady my money was spent.
I asked her for credit, she answered me nay,
Such a custom like yours I can have any day

(Chorus)

Then out of me pocket I took sovereigns bright
and the landlady's eyes opened wide with delight.
She said I'd have whiskey and wines of the best
and the words that she told me were only in jest.

(Chorus)

I'll go home to my parents, confess what I've
done,
and I'll ask them to pardon their prodigal son.
And when they've caressed me as oft' times before
then I never will play the wild rover no more

(Chorus)

Some friends and I in a public house
 Were playing dominoes one night,
 When into the pub a fireman ran
 His face all a chalky white.
 "What's up", says Brown, "Have you seen a
 ghost,
 Or have you seen your Aunt Mariah? "
 "Me Aunt Mariah be buggered if your eyes can't
 see!"
 "The bloody pub's on fire!"

Then there came from the old back door
 The Vicar of the local church.
 And when he saw our drunken ways,
 He began to scream and curse.
 "Ah, you drunken sods! You heathen clods!
 You've taken to a drunken spree!
 You drank up all the Benedictine wine
 And you didn't save a drop for me! "

(Chorus)

"On fire," says Brown, "What a bit of luck.
 Everybody follow me.
 It's down to the cellar
 If the fire's not there
 Then we'll have a grand old spree. "
 So we went down with good old Brown
 The booze we could not miss
 And we hadn't been there ten minutes or more
 Till we were quite like this:

Later that night, when the fire was out
 We came up from the cellar below.
 Our pub was burned. Our booze was drunk.
 Our heads was hanging low.
 "Oh look", says Brown with a look quite queer.
 Seems something raised his ire.
 "Now we gotta get down to Murphy's Pub,
 It closes on the hour! "

(Chorus)

**And there was Brown upside down
 Suckin' up the whiskey on the floor.
 "Booze, booze!" The firemen cried
 Til there came a great knockin' at the door
 (clap clap)
 Oh don't let 'em in till it's all drunk up
 And somebody shouted Macintyre!
 Macintyre!
 And we all got blue-blind paralytic drunk
 When the Old Dun Cow caught fire.**

Well, up walked Smith to the port wine tub
 Then he gives it a few hard knocks (clap clap)
 Starts takin' off his pantaloons
 Likewise his shoes and socks.
 Well, up jumps Brown, "Now see here, boy
 Ya can't do that in here.
 Don't go washin' trousers in the port wine tub
 When we got all this light beer. "

(Chorus)

Well then there came a mighty crash
 Half the bloody roof caved in.
 We all got drowned in the firemen's hose
 Though we were almost happy.
 So we grabbed some tacks and some old wet sacks
 And we tacked ourselves inside
 And we sat getting bleary-eyed drunk
 While the Old Dun Cow got fried.

5 Carrickfergus

G *Am D* *G*
I wish I was in Carrickfergus
Am D *G*
Only for nights in Ballygrand
Am D *G*
I would swim over the deepest ocean
Am D *G*
Only for nights in Ballygrand
Em *D*
But the sea is wide and I cannot swim over
Em *Am D*
And neither have I the wings to fly
G *Am D* *G*
I wish I had a handsome boatsman
Am D *G*
To ferry me over my love and I

My childhood days bring back sad reflections
Of happy times there spent so long ago
My boyhood friends and my own relations
Have all past on now with the melting snow
So I'll spend my days in this endless roving
Soft is the grass, my bed is free
Oh to be home now in carrickfergus
On the long rode down to the salty sea

Now in Kilkenny it is reported
On marble stone there as black as ink
With gold and silver I would support her
But I'll sing no more now til I get a drink
Cause I'm drunk today and I'm seldom sober
A handsome rover from town to town
Ah but I'm sick now my days are numbered
Come all me young lads and lay me down.

6 Sweet Afton

Flow gently, sweet Afton, among thy green braes,
Flow gently, I'll sing thee a song in thy praise;
My Mary's asleep by thy murmuring stream,
Flow gently, sweet Afton, disturb not her dream.

Thou stock-dove whose echo resounds through
the glen,
Oh, ye wild whistling blackbirds in yon thorny
den,
Thou green-crested lapwing, thy screaming
forbear,
I charge you disturb not my slumbering fair.

Oh, how lofty, sweet Afton, thy neighboring hills
Far marked with the courses of clear winding rills,
There daily I wander as noon rises high
My flocks and my Mary's sweet cot in my eye.

How pleasant thy banks and green valleys below,
Where wild in the woodlands the primroses blow;
There oft as mild Evening sweeps over the lea
The sweet scented birk shades my Mary and me.

Though thy crystal stream, Afton, how lovely it
glides,
And winds by the cot where my Mary resides,
How wanton thy waters her snowy feet lave,
As gathering sweet flowerets she stems thy clear
wave.

Flow gently, sweet Afton, among thy green braes,
Flow gently, sweet river, the theme of my lays,
My Mary's asleep by thy murmuring stream,
So, flow gently, sweet Afton, disturb not her
dream

7 Johnny I Hardly Knew Ya

Em While goin' the road to sweet Athy, *Bm* hurroo,
hurroo

Em While goin' the road to sweet Athy, *G* hurroo,
hurroo

D While goin' the road to sweet Athy

Em A stick in me hand and a drop in me eye *Bm*

G A doleful damsel I *D* *Em* heard cry, *Bm*

Em Johnny I hardly knew ye.

(Chorus) With your *Em* drums and guns and
Bm guns and drums, hurroo, hurroo

With your *Em* drums and guns and guns and (Chorus)
G drums, hurroo, hurroo

With your drums and guns and *D* guns and
drums

Em The enemy nearly slew ye *Bm*

G Oh my darling dear, *D* Ye look so queer *Em* *Bm*

Em Johnny I hardly knew ye.

Where are your eyes that were so mild, hurroo,
hurroo

Where are your eyes that were so mild, hurroo,
hurroo

Where are your eyes that were so mild
When my heart you so beguiled

Why did ye run from me and the child

Oh Johnny, I hardly knew ye.

(Chorus)

Where are your legs that used to run, hurroo,
hurroo

Where are your legs that used to run, hurroo,
hurroo

Where are your legs that used to run
When you went for to carry a gun

Indeed your dancing days are done

Oh Johnny, I hardly knew ye.

(Chorus)

I'm happy for to see ye home, hurroo, hurroo

I'm happy for to see ye home, hurroo, hurroo

I'm happy for to see ye home

All from the island of Sulloon

So low in flesh, so high in bone

Oh Johnny I hardly knew ye.

(Chorus)

Ye haven't an arm, ye haven't a leg, hurroo,
hurroo

Ye haven't an arm, ye haven't a leg, hurroo,
hurroo

Ye haven't an arm, ye haven't a leg

Ye're an armless, boneless, chickenless egg

Ye'll have to put with a bowl out to beg

Oh Johnny I hardly knew ye.

They're rolling out the guns again, hurroo, hurroo

They're rolling out the guns again, hurroo, hurroo

They're rolling out the guns again

But they never will take our sons again

No they never will take our sons again

Johnny I'm swearing to ye.

8 *I'll Fly Away*

G
Some bright morning when this life is over
C
I'll fly away
G
To that home on God's celestial shore
D G
I'll fly away

(Chorus) I'll fly away, oh glory
I'll fly away in the morning
When I die, Hallelujah by and by
I'll fly away

When the shadows of this life have gone
Like a bird from these prison walls I'll fly

(Chorus)

Oh, how glad and happy when we meet
No more cold iron shackles on my feet

(Chorus)

Just a few more weary days and then
To a land where joys will never end

9 *John Knacka* I thought I heard the first mate say

John Kanaka-naka too rie ay
Today, today is a holiday
John Kanaka-naka too lie ay

(Chorus) Too rie ay, oh, to lie ay
John Kanaka-naka too lie ay

We're bound away for 'Frisco Bay
We're bound away at the break of day

(Chorus)

We're a yankee ship with a yankee crew
And we're the boys to beat her through

(Chorus)

So heave away and haul away
Oh heave away and earn your pay

(Chorus)

Flectamus genua
Levate

(Chorus)

10 *A Little Bit More*

^G When I was young me ^C father said,
^G It's time the children went to bed,
^G We would always cry and roar,
^G I want to stay up just a ^D little bit ^G more.

(Chorus) ^G A little bit more a ^C little bit more
^G Not very much just a ^C little bit ^D more,
^G A little bit more a ^C little bit more
^G Not very much just a ^D little bit ^G more,

And when the morning came around,
You could hear that same auld sound
When they came rapping on the door
I want to lay on a little bit more.

(Chorus)

The barman says theres no more beer,
Drink up your drink and get out of here,
Still you see them hanging 'round the door,
Hopeing to get in for a little bit more.

(Chorus)

I met a girl called Mary Rose
I said young girl can I kiss your nose,
She said I met your likes before
All you want is a little bit more.

(Chorus)

And when your days are nearly done
Before you cross that rubicon
The doctor says your time is done,
And you pray to the Lord for a little bit more.

(Chorus)

11 *Northwest Passage*

(Chorus) Ah, for just one time
I would take the Northwest Passage
To find the hand of Franklin
Reaching for the Beaufort Sea
Tracing one warm line
Through a land so wild and savage
And make a Northwest Passage to the sea

Westward from the Davis Strait
'Tis there 'twas said to lie
The sea route to the Orient
For which so many died
Seeking gold and glory,
Leaving weathered, broken bones
And a long-forgotten lonely cairn of stones

(Chorus)

Three centuries thereafter
I take passage overland
In the footsteps of brave Kelso
Where his "sea of flowers" began
Watching cities rise before me
Then behind me sink again
This tardiest explorer
Driving hard across the plain

(Chorus)

And through the night, behind the wheel
The mileage clicking west
I think upon Mackenzie,
David Thompson and the rest
Who cracked the mountain ramparts
And did show a path for me
To race the roaring Fraser to the sea

(Chorus)

How then am I so different
From the first men through this way?
Like them, I left a settled life
I threw it all away
To seek a Northwest Passage
At the call of many men
To find there but the road back home again

(Chorus)

12 *The Last Rose Of Summer*

'Tis the last rose of summer left blooming alone
All her lovely companions are faded and gone
No flower of her kindred, no rosebud is nigh
To reflect back her blushes and give sigh for sigh

I'll not leave thee, thou lone one, to pine on the
stem
Since the lovely are sleeping, go sleep thou with
them
Thus kindly I scatter thy leaves o'er the bed
Where thy mates of the garden lie scentless and
dead

So soon may I follow when friendships decay
And from love's shining circle the gems drop away
When true hearts lie withered and fond ones are
flown
Oh who would inhabit this bleak world alone?

(Chorus)

13 *Auld Lang Syne*

Should auld acquaintance be forgot,
And never brought to mind
Should auld acquaintance be forgot,
And auld lang syne!

(Chorus) For auld lang syne, my dear
For auld lang syne,
We'll take a cup o' kindness yet
For auld lang syne!

And surely ye 'll be your pint' stowp,
And surely I 'll be mine,
And we 'll take a cup o' kindness yet

For auld lang syne!

We twa hae run about the braes,
And pou'd the gowans fine,
But we 've wander'd monie a weary fit
Sin' auld lang syne.

(Chorus)

We twa hae paidl'd in the burn
Frae morning sun till dine,
But seas between us braid hae roar'd
Sin' auld lang syne.

(Chorus)

And there's a hand, my trusty fiere,
And gie 's a hand o' thine,
And we 'll tak a right guid-willie waught
For auld lang syne!

14 *The Blackest Crow*

^G As time draws near my ^C dearest dear when you
and I must ^{Am} part
^G How little you know of the ^C grief and woe in my
poor aching ^{Am} heart
^C Tis but I'd suffer for your sake, believe me dear ^F
it's ^C true
^G I wish that you were ^C staying here or I was going
with you ^{Am}

I wish my breast were made of glass wherein you
might behold
Upon my heart your name lies wrote in letters
made of gold
In letters made of gold my love, believe me when
I say
You are the one that I will adore until my dying
day

The blackest crow that ever flew would surely
turn to white
If ever I prove false to you bright day will turn to
night
Bright day will turn to night my love, the
elements will mourn
If ever I prove false to you the seas will rage and
burn

And when you're on some distant shore think of
your absent friend
And when the wind blows high and clear a light
to me pray send
And when the wind blows high and clear pray
send your love to me
That I might know by your hand light how time
has gone with thee

15 *The Boar's Head Carol*

The boar's head in hand bring I,
Bedeck'd with bays and rosemary.
I pray you, my masters, be merry
Quot estis in convivio

**(Chorus) Caput apri defero
Reddens laudes Domino**

The boar's head, as I understand,
Is the rarest dish in all this land,
Which thus bedeck'd with a gay garland
Let us servire cantico.

(Chorus)
Our steward hath provided this
In honor of the King of Bliss;
Which, on this day to be served is
In Reginensi atrio

16 *The Boxer*

I am just a poor boy
Though my story's seldom told
I have squandered my resistance
For a pocketful of mumbles such are promises
All lies and jest
Still a man hears what he wants to hear
And disregards the rest, mmmm

When I left my home and my family
I was no more than a boy
In the company of strangers
In the quiet of a railway station running scared
Laying low, seeking out the poorer quarters
Where the ragged people go
Looking for the places only they would know

(Chorus) Lie la lie, lie la lie la lie la lie And are happier as a rule
Lie la lie, lie la lie la lie la lie, la la lie la lie

Asking only workman's wages
I come looking for a job
But I get no offers
Just a come-on from the whores on Seventh
Avenue
I do declare there were times when I was so
lonesome
I took some comfort there
Then I'm laying out my winter clothes
And wishing I was gone, going home
Where the New York City winters aren't bleeding
me

Leading me, going home

(Chorus)

In the clearing stands a boxer
And a fighter by his trade
And he carries the reminders
Of every glove that laid him down
And cut him 'til he cried out
In his anger and his shame
"I am leaving, I am leaving"
But the fighter still remains, mmmm

(Chorus)

17 *Ramblin' Rover*

Oh, there're sober men and plenty
And drunkards barely twenty
There are men of over ninety
That have never yet kissed a girl
But give me a ramblin' rover
Frae Orkney down to Dover
We will roam the country over
And together we'll face the world

There's many that feign enjoyment
From merciless employment
Their ambition was this deployment
From the minute they left the school
And they save and scrape and ponder
While the rest go out and squander
See the world and rove and wander

And are happier as a rule

(Chorus)

I've roamed through all the nations
In delight of all creations
And enjoyed a wee sensation
Where the company, it was kind
And when partin' was no pleasure
I've drunk another measure
To the good friends that we treasure
For they always are in our mind

(Chorus)

If you're bent wi' arthritis
Your bowels have got Colitis
You've gallopin' bollockitis
And you're thinkin' it's time you died
If you been a man o' action
Though you're lying there in traction
You will get some satisfaction
Thinkin', "Jesus, at least I tried."

18 *Don't Go For The One*

My friend Harvey married Tracey McCall
By Christ she was a scary old doll
A voice out of hell and a temper to boot
Arms like a navvy and a face like dried fruit
I bumped into Harvey back home last year
Says I to him, 'Do you wanna go for a beer?'
'No, me sister's French husband is over, ' says he
'I've been sent to get snails to impress him for
tea.'
'I was down in the snail shop, she told me to go, '
'I'm a little bit late because business was slow, '
'If I'm not home by six, I'll surely be done, '
'The Mrs will kill me, let's just go for the one.'

(Chorus) ^GThe one, the one, don't go for the
one
^CDon't go for the one, for the ^Done, for the one
^GThe one, the one, don't go for the one
^CDon't go for the one, for the ^Done, for the ^Gone

For the one went down fast, the second did too
Three or four followed, twas a fine
how-do-you-do
Harvey looked at his watch, shrieked out with
fright
It was twenty past ten, we'd been drinking all
night
Well cursing my name, he sped 'cross the floor
Clutching the snails, he ran out the door
'I'm a dead man, ' he said, 'I'm drunk and I'm
late, '

As he tore down the road and up to his gate

(Chorus)

Well he opened the gate and he ran down the
path
But he knew he was in for the dragon's wrath
But he tripped and he fell and up in the air
Went the bag with the snails flying everywhere
Hearing the noise she kicked open the door
The snails and Harvey were spread 'cross the floor
'You're three hours late, ' she screamed, loud as
she could
'What's your excuse, this had better be good.'
Well he looks down at the snails
And with a confident air
He says, 'five more feet lads, we're nearly there.'
(Chorus 2x)

19

*Well you (A)heard the ballad of
Jesse James how he robbed
that Glendale train**But that don't compare to the do-or-dare of the
(E)famous Barrow Gang*

They're ^Acrooks and killers the ^{A7}papers say and
^Dsociety drags 'em down ^{D7}

Calls 'em ^Alow-life scum no better than mud and
^Ethey run 'em right out of town. ^D

And I said hey pretty honey of mine ride along
 with me ^A
 We'll shoot the night just to stay a-right
^ETill we climb up the hanging tree

So when you leave your house shut the garden
 gate ^A ^{A7}
 Tell your mother and your father not to stay up
 late ^D ^{D7}
 We're gonna fight for our freedom right down to
 the day we die. ^A ^E

Well it was gas-filling stations convenience stores
 to those home-spun county banks
 We took 'em all both great and small steering
 clear of the cell block tanks
 You can feel the freedom of the open road
 blowing smoke rings out of your hair
 But you'll never find a feeling that's more alive
 than throwing lead through the gravelly air.

And I said hey pretty honey of mine what are you
 gonna do
 'Cause there's a gas-can man with a rifle in his
 hand
 Gonna blow you to Waterloo
 She said I told you twice and I'll say it again
 I'm not a cooped-up chicken or a huckleberry
 hen.
 Gonna fight for my freedom right down to the
 day we die.

It was roundabout the spring of '34 we were
 skirting state border lines
 Oklahoma, Mississippi, Creole Country, Kansas
 City, Dallas, and the Great Divide
 But in the gun-light's gleam I could see in her
 eyes as she stood in the barn door-way
 Saying Clyde I know it's a coal-black road gonna
 send you to Judgment Day.

And I said hey pretty honey of mine tell me and
 tell me true
 If you could take it all back would you walk the
 right track
 And obey them boys in blue
 She said I walk a road paved with regret
 But the Law don't forgive and it'll never forget
 We're gonna fight for our freedom right down to
 the day we die.

I know we're not that smart or desperate love the
 law it always wins
 We've been shot before but we can't ignore that
 death is the wages of sin
 Some day we'll ride to the end of the trail and
 they'll bury us side by side
 For your ma there'll be grief, for the law relief,
 but it's death for Bonnie and Clyde.

And I said hey pretty honey of mine life can lend
 you a bitter taste
 When the whole world's view of the gutter and
 you has got you feeling like a human waste
 We're not the people that they think see
 And we've payed our debts to society.
 We're gonna fight for our freedom right down to
 the day we die.

Mine eyes have seen the glory of the coming of
the Lord
He is trampling out the vintage where the grapes
of wrath are stored
He have loosed the fateful lightening of His
terrible swift sword
His truth is marching on

Mine eyes have seen the glory of the coming of
the Lord
He is trampling out the vintage where the grapes
of wrath are stored
He have loosed the fateful lightning of His terrible
swift sword
His truth is marching on

**(Chorus) Glory, glory Hallelujah
Glory, glory Hallelujah
Glory, glory Hallelujah
His truth is marching on**

I have seen him in the watch-fires of a hundred
circling camps
They have builded Him an altar in the evening
dews and damps
I have read His righteous sentence by the dim and
flaring lamps
His truth is marching on

(Chorus)

I have read a fiery gospel writ in burnished rows
of steel
As ye deal with my condemners so with you my
grace shall deal
Let the hero, born of woman, crush the serpent
with His heel
His truth is marching on

(Chorus)

He has sounded forth the trumpet that shall
never call retreat (Glory, glory Hallelujah)
He is sifting out the hearts of men before His
judgment seat (glory Hallelujah))
Oh, be swift, my soul to answer, oh, be jubilant,
my feet
His truth is marching on

(Chorus)

In the beauty of the lilies Christ was born across
the sea (glory, glory Hallelujah)
With a glory in His bosom that transfigures you
and me (glory, glory Hallelujah)
As He died to make men holy, let us die to make
men free
His truth is marching on

21 *The Fox*

The Fox went out on a chilly night
He prayed for the moon to give him light
For he'd many a mile to go that night
Before he reached the town-o, town-o, town-o
He'd many a mile to go that night before he
reached the town-o

He ran till he came to the farmer's pen
The ducks and the geese were kept therein
He said "a couple of you are gonna grease my
chin,
Before I leave this town "
Said a couple of you are gonna grease my chin,
before i leave this town-o

He grabbed the great goose by the neck
And he threw a duck across his back
And he didn't mind the quack quack
And the legs all dangling down-o
He didn't mind the quack quack
And the legs all dangling down-o

The old grey woman jumped out of bed
She ran to the window and popped out her head,
Crying John, John, the great goose is gone
And the fox is on the town-o, town-o, town-o
John, John, the great goose is gone and the fox is
on the town-o

He ran till he came to his nice warm den
And there were the little ones, eight, nine, ten
Sayin' Daddy, Daddy, better go back again
For it must be a mighty fine town-o, town-o,
town-o
Daddy, Daddy, go back again for it must be a
mighty fine town-o

The fox and his wife, without any strife
Cut up the goose with a fork and a knife
They never had such a supper in their life
And the little ones chewed on the bones-o,
bones-o, bones-o
They never had such a supper in their life
And the little ones chewed on the bones

23 *I Saw the Light*

I wandered so aimless, life filed with sin
I wouldn't let my dear Savior in
Then Jesus came like a stranger in the night
Praise the Lord, I saw the light

(Refrain) I saw the light, I saw the light
No more darkness, no more night
Now I'm so happy, no sorrow in sight
Praise the Lord, I saw the light

Just like a blind man, I wandered along
Worries and fears I claimed for my own
Then like the blind man that God gave back his
sight
Praise the Lord, I saw the light
(Refrain)
I was a fool to wander and stray
For straight is the gate and narrow's the way
Now I have traded the wrong for the right
Praise the Lord, I saw the light
(Refrain)

24 *The Rocky Road to Dublin*

Bm
While in the merry month of June from me
home I started,
A
Left the girls of Tuam Nearly broken hearted,
Bm
Saluted father dear, kissed me darling mother,
A
Drank a pint of beer, me grief and tears to
smother,
Bm *A* *Bm*
Then off to reap the corn, leave where I was
A
born,
Bm *A*
Cut a stout black thorn to banish ghosts and
goblins;
Bm *A* *Bm* *A*
Bought a pair of brogues rattling o'er the bogs
Bm *A*
And fright'ning all the dogs on the rocky road to
Dublin.

[Chorus] *Bm* *A* *Bm*
One, two, three four, five,
Hunt the Hare and turn her down the rocky
road
A *Bm* *A* *Bm*
all the way to Dublin, Whack fol la de rah
!

In Mullingar that night I rested limbs so weary,
Started by daylight next morning blithe and early,
Took a drop of pure to keep me heart from
sinking;
Thats a Paddy's cure whenever he's on drinking.
See the lassies smile, laughing all the while
At me curious style, 'twould set your heart a
bubblin'
Asked me was I hired, wages I required,
I was almost tired of the rocky road to Dublin.
[Chorus]
In Dublin next arrived, I thought it such a pity
To be soon deprived a view of that fine city.
So then I took a stroll, all among the quality;
Me bundle it was stole, all in a neat locality.
Something crossed me mind, when I looked
behind,
No bundle could I find upon me stick a wobblin'
Enquiring for the rogue, they said me Connaught
brogue
Wasn't much in vogue on the rocky road to
Dublin.
[Chorus]
From there I got away, me spirits never falling,
Landed on the quay, just as the ship was sailing.
The Captain at me roared, said that no room had
he;
When I jumped aboard, a cabin found for Paddy.
Down among the pigs, played some hearty rigs,
Danced some hearty jigs, the water round me
bubbling;
When off Holyhead I wished meself was dead,
Or better for instead on the rocky road to Dublin.
[Chorus]
Well the boys of Liverpool, when we safely
landed,
Called meself a fool, I could no longer stand it.
Blood began to boil, temper I was losing;
Poor old Erin's Isle they began abusing.
"Hurrah me soul" says I, me Shillelagh I let fly.
Some Galway boys were nigh and saw I was a
hobble in,
With a load "hurray !" joined in the affray.
We quietly cleared the way for the rocky road to
Dublin.
[Chorus]

25 *The Battle of New Orleans*

G *C*
In 1814 we took a little trip
D *G*
Along with Colonel Jackson down the mighty
Mississip
C
We took a little bacon and we took a little beans
D *G*
And we caught the bloody British in a town in
New Orleans
G
We fired our guns and the British kep a-comin'
There wasn't nigh as many as there was a while *D*
G
ago
We fired once more and they begin to runnin'
On down the Mississippi to the *D* *G* Gulf of Mexico

We looked down a river
And we see'd the British come
And there must have been a hundred of'em
Beatin' on the drums

They stepped so high
And they made their bugles ring
We stood by our cotton bales
And didn't say a thing

We fired our guns and the British kep a-comin'
There wasn't nigh as many as there was a while
ago
We fired once more and they begin to runnin'
On down the Mississippi to the Gulf of Mexico
Old Hickory said we could take 'em by surprise
If we didn't fire our muskets
'Till we looked 'em in the eyes

We held our fire
'Till we see'd their faces well
Then we opened up our squirrel guns
And really gave 'em – well we

Fired our guns and the British kep a-comin'
There wasn't nigh as many as there was a while
ago
We fired once more and they begin to runnin'
On down the Mississippi to the Gulf of Mexico

Yeah, they ran through the briars
And they ran through the brambles
And they ran through the bushes
Where the rabbit couldn't go
They ran so fast
That the hounds couldn't catch 'em
On down the Mississippi to the Gulf of Mexico

We fired our cannon 'til the barrel melted down
So we grabbed an alligator and we fought another
round
We filled his head with cannon balls, and
powdered his behind
And when we touched the powder off the gator
lost his mind
We fired our guns and the British kep a-comin'
There wasn't nigh as many as there was a while
ago
We fired once more and they begin to runnin'
On down the Mississippi to the Gulf of Mexico

Yeah, they ran through the briars
And they ran through the brambles
And they ran through the bushes
Where the rabbit couldn't go
They ran so fast
That the hounds couldn't catch 'em
On down the Mississippi to the Gulf of Mexico

Hut-two-three-four
Sound off, three-four
Hut-two-three-four
Sound off, three-four
Hut-two-three-four

Hut-two-three-four.

26 *Field Behind the Plow*

Watch the field behind the plow turn to straight,
dark rows
Feel the trickle in your clothes, blow the dust
cake from your nose
Hear the tractor's steady roar, oh you can't stop
now
There's a quarter section more or less to go

And it figures that the rain keeps its own sweet
time
You can watch it come for miles, but you guess
you've got a while
So ease the throttle out a hair, every rod's a gain
And there's victory in every quarter mile

Poor old Kuzyk down the road
The heartache, hail and hoppers brought him
down
He gave it up and went to town
And Emmett Pierce the other day
Took a heart attack and died at forty two
You could see it coming on 'cause he worked as
hard as you

In an hour, maybe more, you'll be wet clear
through
The air is cooler now, pull you hat brim further
down
And watch the field behind the plow turn to
straight dark rows
Put another season's promise in the ground

And if the harvest's any good
The money just might cover all the loans
You've mortgaged all you own

Buy the kids a winter coat
Take the wife back east for Christmas if you can
All summer she hangs on when you're so tied to
the land

For the good times come and go, but at least
there's rain
So this won't be barren ground when September
rolls around
So watch the field behind the plow turn to
straight dark rows
Put another season's promise in the ground

Watch the field behind the plow turn to straight
dark rows
Put another season's promise in the ground

She left her own fond lover, left her servants

Her father saddled his fastest steed
Roamed these valleys all over
Sought his daughter at break neck speed
And the whistlin' gypsy rover

(Chorus)

he came at last to a mansion fine
Down by the river Claydee
And there was music and there was wine
For the gypsy and his lady

(Chorus)

"He is no gypsy, my father", she said
But Lord of these lands all over
And I will stay till my dying day
With the whistlin' gypsy rover

28 *Skye Boat Song*

(Chorus) ^DSpeed, bonnie ^{Bm}boat, like a ^{Em}bird on
 ^Athe wing,
^DOnward! The ^Gsailors ^Dcry;
Carry the lad that's born to be King
Over the sea to Skye.

^{Bm}Loud the winds howl, ^{Em}loud the waves roar,
^DThunderclaps rend the air;
^{Bm}Baffled, our foes ^{Em}stand by the shore,
^DFollow they will ^{Bm}not dare. ^G^A

(Chorus)

Many's the lad, fought in that day
Well the claymore did wield;
When the night came, silently lay
Dead on Culloden's field.

(Chorus)

Though the waves leap, soft shall ye sleep,
Ocean's a royal bed.
Rocked in the deep, Flora will keep
Watch by your weary head.

(Chorus)

Burned are their homes, exile and death
Scatter the loyal men;
Yet ere the sword cool in the sheath
Charlie will come again.

29 *The Parting Glass*

Of all the money that e'er I had
I spent it in good company
And all the harm I've ever done
Alas, it was to none but me
And all I've done for want of wit
To memory now I can't recall
So fill to me the parting glass
Good night and joy be with you all

Of all the comrades that e'er I had
They're sorry for my going away
And all the sweethearts that e'er I had
They'd wish me one more day to stay
But since it fell into my lot
That I should rise and you should not
I'll gently rise and softly call
"Good night and joy be with you all"

If I had money enough to spend
And Leisure time to stay awhile,
There is a fair maid in this town
Who surely has my heart beguiled
Her rosy cheeks and ruby lips
My own, she has my heart enthralled
So I'll gently rise and softly call
"Goodnight and joy to be with you all."

30 *Song of the Pelagian Heresy for
the Strengthening of Men's
Backs and the very Robust
Out-thrusting of Doubtful
Doctrine and the Uncertain
Intellectual*

Pelagius lived at Kardanoel
And taught a doctrine there
How, whether you went to heaven or to hell
It was your own affair.
How whether you rose to eternal joy,
Or sank forever to burn,
It had nothing to do with the Church, my boy,
But was your own concern.

No, he didn't believe
In Adam and Eve
He put no faith therein!
His doubts began
With the Fall of Man
And he laughed at Original Sin.
With my row-ti-tow
Ti-oodly-ow
He laughed at original sin.

Then came the bishop of old Auxerre
Germanus was his name
He tore great handfuls out of his hair
And he called Pelagius shame.
And with his stout Episcopal staff
So thoroughly whacked and banged
The heretics all, both short and tall —
They rather had been hanged.

Oh he whacked them hard, and he whacked them
long
Upon each and all occasions
Till they bellowed in chorus, loud and strong
Their orthodox persuasions.
With my row-ti-tow
Ti-oodly-ow
Their orthodox persuasions.

Now the faith is old and the Devil bold
Exceedingly bold indeed.
And the masses of doubt that are floating about
Would smother a mortal creed.
But we that sit in a sturdy youth
And still can drink strong ale
Let us put it away to infallible truth
That always shall prevail.

And thank the Lord
For the temporal sword
And howling heretics too.
And all good things
Our Christendom brings
But especially barley brew!
With my row-ti-tow
Ti-oodly-ow
Especially barley brew!

31 *Reilly's Daughter*

^G
As I was sitting by the fire
^D
Eating spuds and drinking porter
Suddenly a thought came into my mind
I'd like to marry old Reilly's daughter

(Chorus) Giddy i-ae Giddy i-ae Giddy i-ae
for the one-eyed Reilly
Giddy i-ae (bang bang bang) Play it on
your old bass drum

Reilly played on the big bass drum
Reilly had a mind for murder and slaughter
Reilly had a bright red glittering eye
And he kept that eye on his lovely daughter

Her hair was black and her eyes were blue
The colonel and the major and the captain
sought her
The sergeant and the private and the drummer
boy too
But they never had a chance with Reilly's
daughter

I got me a ring and a parson too
Got me a scratch in a married quarter
Settled me down to a peaceful life
Happy as a king with Reilly's daughter

Suddenly a footstep on the stairs
Who should it be but Reilly out for slaughter
With two pistols in his hands
Looking for the man who had married his
daughter

I caught old Reilly by the hair
Rammed his head in a pail of water
Fired his pistols into the air
A damned sight quicker than I married his
daughter

32 *Four Green Fields*

G *D* *G*
What did I have',
 C *D*
Said the fine old woman.
G *D* *G*
What did I have',
 C *D*
This proud old woman did say.
'I had four green fields,
Each one was a jewel.
But strangers came
And tried to take them from me.
But my fine strong sons
They fought to save my jewels.
 C *D*
They fought and they died
 G *D* *G*
And that was my grief', said she.

'Long time ago',
Said the fine old woman,
'Long time ago',
This proud old woman did say.
'There was war and death,
Plundering and pillage.
My children starved
By mountain, valley and stream.
And their wailing cries
They reached the very heavens.
And my four green fields
Ran red with their blood', said she.

'What have I now',
Said the fine old woman.
'What have I now',
This proud old woman did say.
'I have four green fields,
One of them's in bondage.
In strangers' hands,
That try to take it from me.
But my sons have sons
As brave as were their fathers.
And my four green fields
Will bloom once again', said she.

33 *The Unicorn*

C
A long time ago, when the *Dm* earth was still green
G
And there were more kinds of animals than
C
you've ever seen
C *Dm*
They'd run around free while the earth was being
born
G *Dm G C*
But the loveliest of all was the uni - corn

**(Chorus) There was green alligators and
long-necked geese
Some humpty-backed camels and some
chimpanzees
Some cats and rats and elephants, but sure
as you're born
The loveliest of all was the unicorn**

Now god seen some sinnin' and it gave him pain
And he says, "stand back, I'm going to make it
rain"
He says, "hey, brother Noah, I'll tell you what to
do
Build me a floating zoo"

And take some of them green alligators and
long-necked geese
Some humpty-backed camels and some
chimpanzees
Some cats and rats and elephants, but sure as
you're born
Don't you forget my unicorn"

Old Noah was there to answer the call
He finished up making the ark just as the rain
started fallin'
He marched in the animals two by two
And he called out as they went through
"Hey, Lord"

I've got your green alligators and long-necked
geese
Some humpty-backed camels and some
chimpanzees
Some cats and rats and elephants, but Lord, I'm
so forlorn
I just can't see no unicorn"

Then Noah looked out through the driving rain
Them unicorns was hiding, playing silly games
Kicking and splashing while the rain was pouring
Oh, them silly unicorns

There was green alligators and long-necked geese
Some humpty-backed camels and some
chimpanzees
Noah cried, "close the doors 'cause the rain is
pourin'
And we just can't wait for no unicorns"

The ark started movin', it drifted with the tide
Them unicorns looked up from the rock and they
cried
And the waters came down and sort of floated
them away
And that's why you'll never see a unicorn, to this
very day

You'll see green alligators and long-necked geese
Some humpty-backed camels and some
chimpanzees
Some cats and rats and elephants, but sure as
you're born
You're never gonna see no unicorn

34 *Danny Boy*

Oh, Danny boy, the pipes, the pipes are calling
From glen to glen, and down the mountain side.
The summer's gone, and all the roses falling,
It's you, it's you must go and I must bide.

But come ye back when summer's in the meadow,
Or when the valley's hushed and white with snow,
It's I'll be here in sunshine or in shadow,
Oh, Danny boy, oh Danny boy, I love you so!

But when ye come, and all the flowers are dying,
If I am dead, as dead I well may be,
You'll come and find the place where I am lying,
And kneel and say an Ave there for me.

And I shall hear, though soft you tread above me,
And all my grave will warmer, sweeter be,
For you will bend and tell me that you love me,
And I shall sleep in peace until you come to me!

37 *Hesitating Beauty*

For your sparkling cocky smile I've walked a
million miles
Begging you to come and wed me in the spring
Why do you my dear delay
What makes you laugh and turn away
You're a hesitating beauty, Nora Lee

(Chorus) Well I know that you are itching
to get married, Nora Lee
And I know how I'm twitching for the same
thing, Nora Lee
By the stars and clouds above we could
spend our lives in love
You're a hesitating beauty, Nora Lee

We can build a house and home where the flowers
come to bloom
Around our yard I'll nail a fence so high
That the boys with peeping eyes cannot see that
angel face
My hesitating beauty Nora Lee

(Chorus)

We can ramble hand in hand across the grasses of
our land
I'll kiss you for each leaf on every tree
We can bring our kids to play where the dry
leaves blow today
If you quit your hesitating, Nora Lee

(Chorus)

38 Whiskey in the Jar

D As I was going over the *Bm* Cork and Kerry
mountains
G I met with captain Farrell and his money he was
A counting.

D I first produced my pistol, and then produced my
rapier. *Bm* (Chorus)

G Said stand and deliver, for ya are a bold deceiver,
D

[Chorus] *A* musha ring dumma do damma da

D whack for the daddy 'ol

G whack for the daddy 'ol

D There's whiskey in the *A* jar *D*

If anyone can aid me, it's my brother in the army,
I think that he is stationed in Cork or in
Killarney.

And if he'll go with me, we'll go roving near
Kilkenny,

And I swear he'll treat me better than me darlin'
sportin' Jenny

Some take delight in the fishin' and the trappin',
But others take delight in the carriages a-rovin'.
But me I take delight in the juice of the barley,

And courting pretty women in the morning bright and
early

(Chorus)

I counted out his money, and it made a pretty
penny.

I put it in my pocket and I took it home to Jenny.
She sighed and she swore, that she never would
deceive me,

but the devil take the women, for they never can be easy

(Chorus)

I went into my chamber, a' for to take a slumber,
I dreamt of gold and jewels and for sure it was no
wonder.

But Jenny took my charges and she filled them
up with water,

Then sent for captain Farrel to be ready for the
slaughter.

(Chorus)

It was early in the morning, just before I rose to
travel,

The guards were all around me and likewise
captain Farrel.

I first produced my pistol, for she stole away my
rapier,

But I couldn't shoot the water so a prisoner I was taken.

(Chorus)

39 *Fields of Athenry*

By a lonely prison wall, I heard a young girl
 call—ing
 Michael, they have taken you away,
 For you stole Trevelyan's corn,
 So the young might see the morn
 Now a prison ship lies waiting in the bay

[Chorus] Low lie the fields of Athen—ry
 Where once we watched the (*Bm) small
 free birds fly
 Our love was on the wing
 We had dreams and songs to sing
 It's so lonely round the fields of Athen—ry

By a lonely prison wall, I heard a young man
 calling
 Nothing matters, Mary, when you're free
 Against the famine and the crown,
 I rebelled, they cut me down
 Now you must raise our child with dignity
 [Chorus]
 By a lonely harbor wall, she watched the last star
 fall
 As the prison ship sailed out against the sky
 For she lived to hope and pray for her love in
 Botany Bay
 It's so lonely round the fields of Athenry

[Chorus]

40 *Wild Mountain Thyme*

Oh the summer time is comin'
 And the trees are sweetly bloomin'
 And the wild mountain thyme
 Grows around the bloomin' heather
 Will you go, lassie, go?

And we'll all go together
 To pluck wild mountain thyme
 All around the bloomin' heather
 Will you go, lassie, go?

I will build my love a bower
 By yon pure crystal fountain
 And on it I will pile
 All the flowers of the mountain
 Will you go, lassie, go?

| (Chorus)

If my true love she were gone
 I'd surely find another
 Where the wild mountain thyme
 Grows around the bloomin' heather
 Will you go, lassie, go?

| (Chorus)

I will roam through the wild
 and the deep glens so dreary
 and return with my spoils,
 to the bower of my dearie
 Will you go, Lassie, go?

| (Chorus)

41 The Cobbler

Oh, me name is Dick Darby, I'm a cobbler, I
spent all me time at old camp
Some call me an old agitator, but now I'm resolved to
repent

(Chorus)

With me ingtwing of an ingthing of an idoh
With me ingtwing of an ingthing of an iday
With me roobooboo roobooboo randy
And me lap stone keeps fading away

Now, my father was hung for sheep stealing, my
mother was burned for a witch
My sister's a dandy housekeeper, and I am the son of a
"Whoah!"

(Chorus)

Ah, it's forty long years I have travelled, all by
the contents of me pack
Me hammers, me awls and me pinchers, I carry them all
on me back

(Chorus)

Oh, my wife she is humpy, she's lumpy, my wife
she's the devil, she's black
And no matter what I may do with her, her tongue it
goes clickety-clack

(Chorus)

It was early one fine summer's morning, a little
before it was day
I dunked her three times in the river, and carelessly
bade her "Good day!"

(Chorus)

42 All Through the Night

D *G* *Em* *A*
Sleep my child and peace attend thee
G *A* *D*
All through the night
D *G* *Em* *A*
Guardian angels God will send thee
G *A* *D*
All through the night

G
Soft the drowsy hours are creeping
Em *A*
Hill and vale in slumber steeping
D *G* *Em* *A*
I my loving watch am keeping
G *A* *D*
All through the night

Angels watching ever 'round thee, all through the
night
In thy slumbers close surround thee, all through
the night
Soft the drowsy hours are creeping,
Hill and dale in slumber steeping
I, my loved one, watch am keeping, all through
the night.

43 Orphan Girl

^CI am an orphan on God's ^Ghighway
But I'll share my ^Ctroubles if you go my ^Fway
I have no ^Cmother, no ^Gfather
No ^Csister, no ^Fbrother
^CI am an ^Gorphan ^Cgirl

I have had friendships, pure and golden
But the ties of kinship, I have not known them
I know no mother, no father
No sister, no brother
I am an orphan girl

But when He calls me I will be able
To meet my family at God's table
I'll meet my mother, my father
My sister, my brother
No more orphan girl

Blessed Savior, make me willing
And walk beside me until I'm with them
Be my mother, my father
My sister, my brother
I am an orphan girl

44 *El Paso*

D Out in the West Texas town of El Paso
A7 I fell in love with a Mexican girl
D Nighttime would find me in Rosa's cantina
A7 Music would play and Felina would whirl

Blacker than night were the eyes of Felina
Wicked and evil while casting a spell
My love was deep for this Mexican maiden
I was in love but in vain, I could tell

G One night a wild young cowboy came in
C Wild as the West Texas wind
D Dashing and daring, a drink he was sharing
D7 With wicked Felina, the girl that I loved
G So in anger
A

I challenged his right for the love of this maiden
Down went his hand for the gun that he wore
My challenge was answered in less than a
heartbeat
The handsome young stranger lay dead on the
floor

Just for a moment I stood there in silence
Shocked by the foul evil deed I had done
Many thoughts raced through my mind as I stood
there
I had but one chance and that was to run

Out through the back door of Rosa's I ran
Out where the horses were tied
I caught a good one, it looked like it could run
Up on its back and away I did ride
Just as fast as I
Could from the West Texas town of El Paso
Out to the badlands of New Mexico

Back in El Paso my life would be worthless
Everything's gone in life; nothing is left
It's been so long since I've seen the young maiden
My love is stronger than my fear of death

I saddled up and away I did go
Riding alone in the dark
Maybe tomorrow, a bullet may find me
Tonight nothing's worse than this pain in my
heart
And at last here I
Am on the hill overlooking El Paso
I can see Rosa's cantina below
My love is strong and it pushes me onward
Down off the hill to Felina I go

Off to my right I see five mounted cowboys
Off to my left ride a dozen or more
Shouting and shooting, I can't let them catch me
I have to make it to Rosa's back door

Something is dreadfully wrong for I feel
A deep burning pain in my side
Though I am trying to stay in the saddle
I'm getting weary, unable to ride

But my love for
Felina is strong and I rise where I've fallen
Though I am weary I can't stop to rest
I see the white puff of smoke from the rifle
I feel the bullet go deep in my chest

From out of nowhere Felina has found me
Kissing my cheek as she kneels by my side
Cradled by two loving arms that I'll die for
One little kiss and Felina, goodbye

45 *Will the Circle Be Unbroken*

^G
I was standing by the ^{G7} window
^C
On one cold and cloudy day
When I saw the hearse come rolling
^D ^G
For to carry my mother away

(Chorus) ^G Will the circle be unbroken
^C ^G
By and by Lord, by and by
There's a better home awaiting
^D ^G
In the sky Lord, in the sky

I said to the undertaker
Undertaker please drive slow
For this lady you are carrying
Lord I hate to see her go

(Chorus)

Oh, I followed close behind her
Tried to hold up and be brave
But I could not hide my sorrow
When they laid her in the grave

(Chorus)

I went back home, the home was lonesome
Since my mother, she was gone
All my brothers and sisters crying
What a home so sad and alone

(Chorus)

We sang songs of childhood
Hymns of faith that made us strong
Ones that mother maybelle taught us
Hear the angels sing along

(Chorus)

46 Boots of Spanish Leather

G

Oh I'm sailin' away my own true love

I'm sailin' away in the morning

Is there something I can send you from across

the sea
From the place that I'll be landing ?

No, there's nothin' you can send me, my own true love

There's nothin' I wish to be ownin'
Just carry yourself back to me unspoiled
From across that lonesome ocean.

Oh, but I just thought you might want something fine

Made of silver or of golden
Either from the mountains of Madrid
Or from the coast of Barcelona ?

Oh, but if I had the stars from the darkest night
And the diamonds from the deepest ocean
I'd forsake them all for your sweet kiss
For that's all I'm wishin' to be ownin'.

That I might be gone a long time
And it's only that I'm askin'
Is there something I can send you to remember (Chorus)
me by
To make your time more easy passin' ?

Oh, how can, how can you ask me again
It only brings me sorrow
The same thing I want from you today
I would want again tomorrow.

I got a letter on a lonesome day
It was from her ship a-sailin'
Saying I don't know when I'll be comin' back
again
It depends on how I'm a-feelin'.

Well, if you, my love, must think that-a-way
I'm sure your mind is roamin'
I'm sure your thoughts are not with me
But with the country to where you're goin'.

So take heed, take heed of the western wind
Take heed of the stormy weather
And yes, there's something you can send back to me
Spanish boots of Spanish leather.

47 Annabelle

Am F
Lease twenty acres and one Ginny mule

E Am
From the Alabama Trust

Am F
Half of the cotton, third of the corn

E Am
Get a handful of dust

(Chorus) F
We cannot have all things to

C
please us

G Am
No matter how we try

Am C
'Til we've all gone to Jesus

G Am
We can only wonder why

I had a daughter called her Annabelle
She's the apple of my eye
Tried to give her something like I never had
Didn't want to ever hear her cry

When I'm dead and buried, I'll take a hard life of tears

Everyday I've ever known

Anna's in the churchyard, she's got no life at all
She's only got these words on a stone

(Chorus)

48 *The Foggy Dew*

Bm *A*
'Twas down the glen one Easter morn
D *A* *Bm*
To a city fair rode I.
Bm *A*
When armed line of marching men
D *A* *Bm*
In squadrons passed me by.
D *A* *Bm*
No pipes did hum, no battle drum
A *Bm*
Did sound its loud tattoo
Bm *A*
But the Angelus bell o'er the Liffey's swell
D *Bm*
Rang out in the (A/Fm) foggy dew.

Right proudly high over Dublin town
They hung out a flag of war.
'Twas better to die 'neath an Irish sky
Than at Suvla or Sud el Bar.
And from the plains of Royal Meath
Strong men came hurrying through;
While Brittania's huns with their great big guns
Sailed in through the foggy dew.

'Twas England bade our wild geese go
That small nations might be free.
But their lonely graves are by Suvla's waves
On the fringe of the gray North Sea.
But had they died by Pearse's side
Or fought with Cathal Brugha,
Their names we'd keep where the Fenians sleep
'Neath the shroud of the foggy dew.
The night fell black and the rifle crack
Made Perfidious Albion reel
Mid the leaden rain seven tongues of flame
Shone out o'er the line of steel
By each shining blade a prayer was said
That to Ireland her sons be true
When the morning broke still the war flag shook
Out its folds in the foggy dew.

The bravest fell, and the requiem bell
Rang mournfully and clear
For those who died that Eastertide
In the springing of the year.
And the world did gaze with deep amaze
At those fearless men, but few
Who bore the fight that freedom's light
Might shine through the foggy dew.

And back through the glen
I rode again and my heart with grief was sore
For I parted then with valiant men
That I shall see no more
But to and fro in my dreams I'll go
And I'll kneel and pray for you
For slavery fled, O glorious Dead,
When you fell in the foggy dew!

49 *Arthur McBride*

Oh, me and my cousin one Arthur McBride
As we went a-walking down by the seaside
Now mark what followed and what did betide
For it being on Christmas morning

Out for recreation we went on a tramp
And we met sergeant napper and corporal vamp
And the little wee drummer intending to camp
For the day being pleasant and charming

"Good morning, good morning, " the sergeant did
cry
"And the same to you gentlemen, " we did reply
"Intending no harm but meant to pass by"
"For it being on christmas morning"
But says he, "My fine fellows if you would enlist"
"It's ten guineas of gold I will slip in your fist"
"And a crown in the bargain for to kick up the
dust"
"And drink the king's health in the morning"

"For a soldier he leads a very fine life"
"And he always is blessed with a charming young
wife"
"And he pays all his debts without sorrow and
strife"
"And always lives pleasant and charming"
"And a soldier he always is decent and clean"
"In the finest of clothing he is constantly seen"
"While other poor fellows go dirty and mean"
"And sup on thin gruel in the morning"

But says Arthur, "I wouldn't be proud of your
clothes"
"For you've only the lend of them as I suppose"
"And you dare not change them one night for you
know"
"If you do you'll be flogged in the morning"
"And although that we are single and free"
"We take great delight in our own company"
"And we have no desires strange faces to see"
"Although that your offers are charming"

"And we have no desire to take your advance"
"All hazards and dangers we barter on chance"
"For you would have no scruples to send us to
france"
"Where we would get shot without warning"
"Oh now, " says the sergeant, "I'll have no such
chat"
"And I neither will take it from small penal brats"
"For if you insult me with one other word"
"I'll cut off your heads in the morning"

And then Arthur and I we soon drew our hods
And we scarce gave them time for to draw their
own blades

When a trusty shillelagh came over their heads
And bade them take that as fair warning
And their own rusty rapiers that hung by their
sides

We flung them as far as we could in the tide
"Now take them up devils!" cried Arthur McBride
"And temper their edge in the morning"

And the little wee drummer we flattened his bow
And we made a football of his rowdy-dow-dow
Threw it in the tide for to rock and to roll
And bade it a tedious returning
And we haven't no money paid them off in cracks
And we paid no respect to their two bloody backs
For we lathered them there like a pair of wet sacks
And left them for dead in the morning

And so to conclude and to finish disputes
We obligingly asked them if they wanted recruits
For we were the lads who would give them hard
clouts

And bid them look sharp in the morning
Oh, me and my cousin one Arthur McBride
As we went a-walking down by the seaside
Now mark what followed and what did betide
For it being on Christmas morning

50 *Rising of the moon*

D And come tell me Sean O'Farrell, tell me why you *A*
hurry so

G Husha buachaill hush and listen and his cheeks *D* *A*
were all a glow *D*

I bear orders from the captain, get you ready *A*
quick and soon

G For the pikes must be together by the rising of *D* *A*
D the moon

By the rising of the moon, by the rising of the
moon

And a thousand pikes were flashing by the rising
of the moon

All along that singing river that black mass of
men was seen

High above their shining weapons flew their own
beloved green

Death to every foe and traitor! Whistle out the
marching tune

And hoorah, me boys, for freedom, 'tis the rising of the
moon

(Chorus)

(Chorus)

D By the rising of the moon, by the rising of *A*
the moon

G For the pikes must be together by the rising *A*
D of the moon

Tis the rising of the moon, 'tis the rising of the
moon

And hurrah, me boys, for freedom, 'tis the rising
of the moon

And come tell me Sean O'Farrell, where the
gath'rin is to be
At the old spot by the river quite well known to
you and me
One more word for signal token, whistle out the
marchin' tune
With your pike upon your shoulder by the rising of the
moon

(Chorus)

By the rising of the moon, by the rising of the
moon
With your pike upon your shoulder by the rising
of the moon

Out from many a mud wall cabin eyes were
watching through the night
Many a manly heart was beating for the blessed
warning light
Murmurs rang along the valleys to the banshees
lonely croon
And a thousand pikes were flashing by the rising of the
moon

(Chorus)

51 *The Lakes of Pontchartrain*

It was on one ^{G D Em C} bright March morning
I bid New ^{G D G} Orleans adieu.
And I took the road to ^{G D Em C} Jackson town,
My ^{G D G} fortune to renew,
I cursed all ^{G D Em C} foreign money,
No ^{G D C} credit could I gain,
Which filled my heart with ^{G D Em C} longing for
The ^{G D G} lakes of Pontchartrain.

I stepped on board a railroad car,
Beneath the morning sun,
I road the roads till evening,
And I laid me down again,
All strangers there no friends to me,
Till a dark girl towards me came,
And I fell in love with a Creole girl,
By the lakes of Pontchartrain.

I said, "My pretty Creole girl,
My money here's no good,
But if it weren't for the alligators,
I'd sleep out in the wood".
"You're welcome here kind stranger,
Our house is very plain.
But we never turn a stranger out,
From the lakes of Pontchartrain."

She took me into her mammy's house,
And treated me quite well,
The hair upon her shoulder
In jet black ringlets fell.
To try and paint her beauty,
I'm sure it would be in vain,
So handsome was my Creole girl,
By the lakes of Pontchartrain.

I asked her if she'd marry me,
She said it could never be,
For she had got another,
And he was far at sea.
She said that she would wait for him
And true she would remain.
Till he returned for his Creole girl,
By the lakes of Pontchartrain.

So fare thee well my Creole girl,
I never will see you no more,
But I'll ne'er forget your kindness
In the cottage by the shore.
And at each social gathering
A flowing glass I'll raise,
And I'll drink a health to my Creole girl,
And the lakes of Pontchartrain.

52 *By The Mark*

^G When I cross over
^D I will shout and sing
^G I will know my Savior
^{D C G} By the mark where the nails have been

(Chorus) ^G By the mark where the nails have
^D been
By the sign upon His precious skin
^G I will know my Savior when I come to Him
^{D C G} By the mark where the nails have been

A man of riches
May claim a crown of jewels
But the King of Heaven
Can be told from the prince of fools

(Chorus)

On Calvary's Mountain
Where they made Him suffer so
All my sin was paid for
A long, long time ago

(Chorus)

I will know my Savior when I come to Him
By the mark where the nails have been

53 *Take it from Day to Day*

G Well, it's not the *C* hours of *D* watch-on-watch
G And it's not the work that I mind so much *Em*
G Or the long cold miles from my lover's touch *C*
'Though for sure she's far away *Am D*
G No stranger, I, to the touch of steel *C*
G Or the honest fear any man can feel *D Em*
G But I long for dust under my heels *C*
And a pocket full of pay *Am*
C So I'll take it from day to day *G D G*

The pack-ice 'round us cracks and groans;
The old St. Roch, she creaks and moans
The icy fog is in my bones
And the ache won't go away
Outside I bet it's warm and fair
I could have her fingers in my hair
But it's long, cold miles to her out there
So I guess I'll have to stay
And just take it from day to day!

We're as far North now as I want to come
But Larsen's got us under his thumb
And I signed up for the whole damned run
I can't get off half way
But when I get back onto the shore
I'm going South where it stays warm
And there'll be someone on my arm
To help me spend my pay
So I'll take it from day to day

No stranger, I, to the touch of steel
And the honest fear any man can feel
But I long for dust under my heels
And a pocket full of pay
So I'll take it from day to day

54 *My son John (Cannonball)*

Em My son John was tall and slim *G D*
And he had a leg for every limb *Em G D*
Em Now he's got no legs at all *D*
Em They're both shot away by a cannon ball *G D*

(Chorus) *Em* Hoo-rum rye, fadda riddle dye *G/D*
G Whack fo' the diddle To me hoo rum rye *G D Em*

Well were ya drunk or were ya blind
To leave your two fine legs behind
Or was it from walkin upon the sea
That took your legs from the ground to the knee

(Chorus)

Well I wasn't drunk and I wasn't blind
To leave my two fine legs behind
T'was a cannonball on the fifth o' May
That took my legs from the ground to the knee

(Chorus)

Each foreign war I'll now denounce
'tween this King of England and that King of
France
I'd rather my legs as they used to be
Than the king of Spain and his whole navy

(Chorus)

I was tall and I was slim
And I had a leg for every limb
But now I've got no legs at all
You can't win a race with a cannon ball

Rose, Rose, Rose red,
Will I ever see thee wed?
I will marry at thy will, sire
At thy will.

Ding ding ding dong
Wedding bells on an April morn'
Carve thy name on a moss covered stone
On a moss covered stone.

Heigh-ho, nobody home
Meat, nor drink, nor money have I none.
Yet I will be merry.
Heigh-ho, Heigh-ho.

Little bird
Take thy flight,
High above the sorrows
Of this dark night.

56 Mary Ellen Carter

G She went down last October in a *C* pouring *D* driving
G rain
C
 The skipper, he'd been drinking and the Mate, he
D
 felt no pain
G Too close to Three Mile Rock, and she was dealt *C*
D *G*
 her mortal blow
C *D*
 And the Mary Ellen Carter settled low And make the Mary Ellen Carter rise again

There was just us five aboard her when she finally (Chorus)
 was awash
 We'd worked like hell to save her, all heedless of
 the cost
 And the groan she gave as she went down, it
 caused us to proclaim
 That the Mary Ellen Carter'd rise again

(Chorus) *Am/C* Rise again, rise again! *G* *Em*
C *G*
 Let her name not be lost to the knowledge
D
 of men
G *C*
 Those who loved her best and were with her
D *G*
 'til the end
C *D* *G*
 Will make the Mary Ellen Carter rise again!

Well, the owners wrote her off; not a nickel would
 be spent
 She gave twenty years of service, boys, then met
 her sorry end
 But insurance paid the loss to us, they let her
 rest below
 Then they laughed at us and said we had to go

But we talked of her all winter, some days around
 the clock
 For she's worth a quarter million, afloat and at
 the dock
 And with every jar that hit the bar, we swore we
 would remain

And make the Mary Ellen Carter rise again

(Chorus)

All spring, now, we've been with her on a barge
 lent by a friend
 Three dives a day in hard hat suit and twice I've
 had the bends
 Thank God it's only sixty feet and the currents
 here are slow
 Or I'd never have the strength to go below

But we've patched her rents, stopped her vents,
 dogged hatch and porthole down
 Put cables to her, 'fore and aft and girded her
 around
 Tomorrow, noon, we hit the air and then take up
 the strain
 And make the Mary Ellen Carter rise again

For we couldn't leave her there, you see, to
 crumble into scale
 She'd saved our lives so many times, living
 through the gale
 And the laughing, drunken rats who left her to a
 sorry grave
 They won't be laughing in another day

And you, to whom adversity has dealt the final
 blow
 With smiling bastards lying to you everywhere
 you go
 Turn to, and put out all your strength of arm and
 heart and brain
 And like the Mary Ellen Carter, rise again
 Rise again, rise again!
 Though your heart it be broken and life about to
 end
 No matter what you've lost, be it a home, a love,
 a friend
 Then like the Mary Ellen Carter, rise again!
 Rise again, rise again!
 Though your heart it be broken and life about to
 end
 No matter what you've lost, be it a home, a love,
 a friend
 Then like the Mary Ellen Carter, rise again!

(Refrain) ^FWay ^Cdowntown just ^Ffoolin' ^Caround
^GTook ^Cme to the jail
^FIt's ^Coh me and it's ^Foh my
^GNo ^Cone to go my bail

It was late last night when Willie came home
I heard him a-rapping on the door
He's a-slipping and a-sliding with his new shoes

Mamma said Willie don't you rap no more
(Refrain)
I wish I was over at my sweet Sally's house
Sittin' in that big armed chair
One arm around this old guitar
And the other one around my dear
(Refrain)
Now, its one old shirt is all that I got
And a dollar is all that I crave
I brought nothing with me into this old world
Ain't gonna take nothing to my grave
(Refrain)

58 *Raglan Road*

On Raglan Road on an Autumn Day,
I saw her first and knew
That her dark hair would weave a snare
That I may one day rue.
I saw the danger, yet I walked
Along the enchanted way
And I said let grief be a falling leaf
At the dawning of the day.

On Grafton Street in November we,
Tripped lightly along the ledge
Of a deep ravine where can be seen
The worth of passions pledged.
The Queen of Hearts still baking tarts
And I not making hay,
Well I loved too much; by such and such
Is happiness thrown away.

I gave her the gifts of the mind.
I gave her the secret sign
That's known to artists who have known,
True gods of Sound and Time.
With word and tint I did not stint.
I gave her poems to say
With her own dark hair and her own name there
Like the clouds over fields of May.

On a quiet street where old ghosts meet,
I see her walking now away from me so hurriedly.
My reason must allow,
For I have loved, not as I should
A creature made of clay.
When the angel woos the clay he'll lose
His wings at the dawn of the day.

59 *Wagon Wheel*

G Heading down south to the land of the pines
Em I'm thumbing my way into North Carolina
C Staring up the road and pray to God I see
 headlights
 I made it down the coast in seventeen hours
 Picking me a bouquet of dogwood flowers
 And I'm a-hopin' for Raleigh, I can see my baby
 tonight

G So rock me mamma like a wagon wheel
Em Rock me mamma any way you feel
C Hey mamma rock me
 Rock me mamma like the wind and the rain
 Rock me mamma like a south bound train
 Hey mamma rock me

Running from the cold up in New England
I was born to be a fiddler in an old time string
band
My baby plays a guitar, I pick a banjo now
Oh, north country winters keep a-getting me
down
Lost my money playing poker so I had to leave
town

But I ain't turning back to living that old life no more

(Chorus)

Walkin' to the south out of Roanoke
I caught a trucker out of Philly had a nice long
talk
But he's a-heading west from the Cumberland
gap
To Johnson City, Tennessee
I gotta get a move on before the sun
I hear my baby calling my name and I know that
she's the only one
And if I die in Raleigh at least I will die free
(Chorus 2x)

60 *Scots Wha Hae*

Scots, wha hae wi' Wallace bled,
Scots, wham Bruce has aften led;
Welcome to your gory bed,
Or to victory!

Now's the day, and now's the hour;
See the front o' battle lour;
See approach proud Edward's power—
Chains and slavery!

Wha will be a traitor knave?
Wha can fill a coward's grave!
Wha sae base as be a slave?
Let him turn and flee!

Wha for Scotland's king and law
Freedom's sword will strongly draw,
Freeman stand, or freeman fa',
Let him follow me!

By oppression's woes and pains!
By your sons in servile chains!
We will drain our dearest veins,
But they shall be free!

Lay the proud usurpers low!
Tyrants fall in every foe!
Liberty's in every blow!—
Let us do or die!

61 *Turning Towards the Morning*

^GWhen the deer has bedded down
^CAnd the bear has gone to ground
^GAnd the northern goose has wandered off
^DTo warmer bay and sound
^GIt's so easy in the cold to feel
^CThe darkness of the year
^GAnd the heart is growing ^Dlonely for the ^Cmorning ^G

(Chorus) ^DOh, my Joanie, don't you know
^GThat the stars are swingin' slow
And the seas are rollin' easy
^DAs they did so long ago
^GIf i had a thing to give you
^CI would tell you one more time
^GThat the world is always ^Dturning toward the ^Cmorning ^G

When October's growin' thin
And November's comin' home
You'll be thinking of the seasons
And the sad things that you've seen
And you hear that old wind walkin'
Hear him singin' high and thin
You could swear he's out there singin' of your sorrow

(Chorus)

So the darkness falls around you
And you hear the north wind blow
And you hear him call your name out
As he walks the bitter snow
That old wind don't mean you trouble,
He don't care or even know
He's just walkin' down the darkness toward the morning

(Chorus)

It's a pity we don't know
What the little flowers know
They can't face the cold November
They can't take the bitter snow
They put their glories all behind them
Bow their heads and let it go
But you know they'll be there shining in the morning

(Chorus)

62 *Oró, sé do bheatha bhaile*

(Chorus) óró, sé do bheatha bhaile
óró, sé do bheatha bhaile
óró, sé do bheatha bhaile
anois ar theacht an tsamhraidh.

'Sé do bheatha, a bhean ba léanmhar
do bé ár gcreach tú bheith i ngéibhinn
do dhúiche bhreá i seilbh meirleach
's tú díolta leis na Gallaibh.

(Chorus)

Tá Gráinne Mhaol ag teacht thar sáile
óglaigh armtha léi mar gharda,
Gaeil iad féin is ní Gaillná Spáinnigh
's cuirfidh siad ruaig ar Ghallaibh.
(Chorus).
Tá Gráinne Mhaol ag teacht thar sáile,
Is Fianna Fáil 'na mbuidhin gharda,
Gaeil féin 's ní Francaigh ná Spáinnigh,
Is ruagairt ar na Gallaibh!

(Chorus)

63 *Brennan on the Moor*

Tis of a brave young highwayman this story I will tell
His name was Willie Brennan and in Ireland he did dwell
It was on the Kilwood Mountain he commenced his wild career
And many a wealthy nobleman before him shook with fear

**(Chorus) It was Brennan on the moor,
Brennan on the moor
Bold, brave and undaunted was young
Brennan on the moor**

One day upon the highway as young Willie he went down
He met the mayor of Cashiell a mile outside of town
The mayor he knew his features and he said,
Young man, said he
Your name is Willie Brennan, you must come along with me

Now Brennan's wife had gone to town provisions for to buy
And when she saw her Willie she commenced to weep and cry
Said, Hand to me that tenpenny, as soon as Willie spoke
She handed him a blunderbuss from underneath her cloak

Now with this loaded blunderbuss – the truth I will unfold –
He made the mayor to tremble and he robbed him of his gold
One hundred pounds was offered for his apprehension there
So he, with horse and saddle to the mountains did repair

Now Brennan being an outlaw upon the mountains high
With cavalry and infantry to take him they did try
He laughed at them with scorn until at last 'twas said
By a false-hearted woman he was cruelly betrayed

They hanged Brennan at the crossroads, in chains he hung and dried
But still they say that, in the night, some do see him ride
They see him with his blunderbuss, all in the midnight chill
Along, along the King's highway rides Willie Brennan still!

64 *Sweet Violets*

**(Chorus) Sweet Violets
Sweeter than all the roses
Covered all over from head to toe
Covered all over with sweet violets**

There once was a farmer who took a young miss
In back of the barn where he gave her a LECTURE
On horses and chickens and eggs
And told her that she had such beautiful MANNERS that suited a girl of her charms
A girl that he wanted to take in his WASHING and ironing and then if she did
They could get married and raise lots of

(Chorus)

The girl told the farmer that he'd better stop
And she called her father and he called a TAXI and got there before very long
'Cause some one was doin' his little girl RIGHT for a change and so that's why he said
If you marry her son, you're better off SINGLE
'Cause it's always been my belief
Marriage will bring a man nothing but

(Chorus)

The farmer decided he'd wed anyway
And started in planning for his wedding SUIT which he purchased for only one buck
But then he found out he was just out of MONEY and so he got left in the lurch
A standin' and waitin' in front of the END of the story which just goes to show
All a girl wants from a man is his

(Chorus)

65 *Some Tyrant*

Some tyrant has stolen my true love away
And here in old England I can no longer stay
I'll cross the wide ocean, ne'er on my bed rest
In search of my true love that I love the best

When that I've found out my joy and my delight
I will welcome her kindly by day and by night
Here's a health to all others that are loyal and
just
And here's confusion to the rivals that lives in
distrust

There's Venus and Volume they are both joined
as one
So keep yourselves single as you and I have done
So keep yourselves single and constant I'll retire
Unto her like some Venus that flourishes like fire

The bugle shall speak and the serpent shall sing
There'll be instruments of music for to make the
valleys ring
Oh the huntsman he'll holler and the hounds
make their noise
For to fill my love's heart with ten thousand
bright joys

66 *Roseville Fair*

^C Oh, the night was clear and the stars were shinin'^F
and the moon came up, so quiet in the sky^C
And all the people gathered round while the band
was a-tunin'^G
I can hear them now playin' 'Comin' Through the
Rye'

You were dressed in blue and you looked so lovely
just a gentle flower of a small town girl
Then you took my hand and we stepped to the
music
with a single smile you became my world

(Chorus) And we danced all ^Fnight, to the
fiddle and the ^Cbanjo^G
And their driftin' ^Ftunes seemed to fill the ^Cair
so long ago, but I still remember ...
when we fell in love, at the Roseville Fair

Now, we courted well, and we courted dearly
And we'd rock for hours on the front porch chair
Then a year went by ... from the time that I met
you

When I made you mine, at the Roseville Fair

(Chorus)

So here's a song for all of the lovers
and here's a tune that you can share
May you dance all night to the fiddle and the
banjo
Oh, the way we did at the Roseville Fair

67 *Aragon Mill*

(Chorus) ^D And the only tune I hear
Is the sound of the wind
^A As it blows through the town
^G Weave and spin, ^D weave and spin

At the east end of town, at the foot of the hill
Stands a chimney so tall that says "Aragon Mill."

(Chorus)

But there's no smoke at all coming out of the
stack
The mill has shut down and it ain't a-coming back

(Chorus)

Well, I'm too old to work, and I'm too young to
die
Tell me, where shall we go, My old gal and I?

(Chorus)

There's no children at all in the narrow empty
street
The mill has closed down; it's so quiet I can't sleep

(Chorus)

Yes, the mill has shut down; it's the only life I
know
Tell me, where will I go, Tell me, where will I go?

(Chorus)

68 *The Irish Rover*

^G In the year of our Lord, ^C eighteen hundred and six,
^G We set sail from the Coal Quay of ^D Cork
^G We were sailing away with a cargo of bricks
For the ^G grand City ^D Hall in New ^G York
^G We'd an elegant craft, it was rigged 'fore and aft
^G And how the trade winds ^D drove her
^G She had twenty-three masts and she stood several ^C
blasts
And they ^G called her the Irish - ^D ^G Rover

There was Barney Magee from the banks of the
Lee
There was Hogan from County Tyrone
There was Johnny McGurk who was scared stiff
of work
And a chap from Westmeath named Malone
There was Slugger O'Toole who was drunk as a
rule
And fighting Bill Tracy from Dover
And your man Mick McCann, from the banks of
the Bann
Was the skipper on the Irish Rover

We had one million bags of the best Sligo rags
We had two million barrells of bone
We had three million bales of old nanny goats'
tails
We had four million barrells of stone
We had five million hogs and six million dogs
And seven million barrells of porter
We had eight million sides of old blind horses'
hides
In the hold of the Irish Rover

We had sailed seven years when the measles broke
out
And our ship lost her way in a fog
And the whole of the crew was reduced down to
two
'Twas myself and the captain's old dog
Then the ship struck a rock, oh, Lord what a
shock
And nearly tumbled over
Turned nine times around then the poor old dog
was drowned
I'm the last of the Irish Rover

69 Rare Old Mountain Dew

^D Let grasses grow and ^G waters flow in a ^D free and
^A easy way
^D But give me enough of the rare old stuff that's ^G
^D brewed near ^A Galway ^D Bay
 Come policemen all from Donegal, Sligo and
^{Bm} Leitrim too
^D Oh, we'll give them the slip and we'll take a sip ^G
^D Of the rare old ^A Mountain ^D Dew

(Chorus) Fi di-diddly-idle-um,
 diddly-doodle-idle-um,
 diddly-doo-ri-diddlum-deh
 Fi di-diddly-idle-um,
 diddly-doodle-idle-um,
 diddly-doo-ri-diddlum-deh

At the foot of the hill there's a neat little still
 Where the smoke curls up to the sky
 By the smoke and the smell you can plainly tell And they say that she's a floating hell
 That there's poitin' brewin' nearby
 For it fills the air with a perfume rare
 And betwixt both me and you
 As home we stroll, we can take a bowl
 Or a bucket of the Mountain Dew

(Chorus)

Now learned men who use the pen
 Have sung the praises high
 Of the rare poitin' from Ireland green
 Distilled from wheat and rye
 Put away with your pills, it'll cure all ills
 Be ye Pagan, Christian or Jew
 So take off your coat and grease your throat
 With the dear old Mountain Dew

70 Leaving of Liverpool

^C Fare—well to you, my ^F own true ^C love,
 I am going far, far a—way ^G
^C I am bound for Cali—forni—a, ^F ^C
 And I know that I'll return someday ^G ^C

(Chorus) So fare thee well, my own true ^G ^F
^C love,
 For when I return, united we will be ^G
 It's not the leaving of Liverpool that ^C ^F grieves
^C me,
 But my darling when I think of thee. ^G ^C

I have shipped on a Yankee sailing ship,
 Davy Crockett is her name,
 And Burgess is the Captain of her,
 And they say that she's a floating hell

(Chorus)

Oh the sun is on the harbour, love,
 And I wish that I could remain,
 For I know that it will be a long, long time,
 Before I see you again

(Chorus)

71 *Dark Old Waters*

^G
Don't be thinking of me,
^C ^D
All away and alone,
^C ^D
On the rolling old sea,
^C ^G
On the foreign ground,
^C ^D
For I laid your keel and that's dandy for me
^C ^C ^C ^G
On the dark old waters, all alone.
^C ^D ^C ^G
Where you go, go well, and a fair wind home.

Don't be thinking of me on the rolling old sea
For I raised your frame and that's bully for me

And where will you go with your rail dipping low?
And where you may wander there's none can know (Chorus)

Don't be thinking of me on the rolling old sea,
For I hung your canvas and sent you to sea

And where will you be when the winter comes
And the bonny, bonny lass that I do adore.
And where will you be when I'm thinking of thee? (Chorus)

And how stands the wind? Will he come as a
friend
And keep you from dangers that lie off the land?

And how stand the stars in the whispering dawn?
May they guide you and bless you and the seas (Chorus)
sail you on
...Oh hey, oh ho, heave an oar and go

Oh where will you bide at the end of your ride,
And who'll sing you songs when I'm not at your side?

...Oh hey, oh ho, heave an oar and go

72 *Farewell to Nova Scotia*

(Chorus) ^G
Farewell to Nova Scotia, your
sea-bound coast,
^{Em}
Let your mountains dark and dreary be
^G ^D
When I'm far away, on the briny ocean
tossed,
^{Em} ^C ^{Em}
Will you ever heave a sigh or a wish for me?

^G
The sun was setting in the West
^{Em}
The birds were singing on every tree
^G ^D
All of nature seemed inclined to rest
^{Em} ^C ^{Em}
But, still, there was no rest for me.

I grieve to leave my native land
I grieve to leave my comrades all
And my poor old aged parents whom I love so dear

And the bonny, bonny lass that I do adore.

(Chorus)

The drums do beat and the wars they alarm
Our captain calls; we must obey
Farewell, farewell, to Nova Scotia's charm
For it's early in the morning I am bound far away

(Chorus)

I have two brothers and they are at rest.
Their hands are folded on their chest.
But a poor, simple sailor just like me
Must be tossed and turned on the deep, blue sea.

(Chorus)

73 *New York Girls*

As I ^Gwalked down the ^CBroadway one ^Gevening in
^DJuly
I met a maid who asked my trade – A ^Gsailor ^Dlad
^Gsays I
To Tiffany's I took her, I did not mind expense
An' I bought her two gold ear-rings, and they
cost me fifty cents

I joined a yankee slug boat, we're set to sail next
morn,
Don't ever mess with women boys, you're safer
round cape horn!

| (Chorus)

Repeat 15 more times or so....

(Chorus) And ^Gaway ^CSanty – My ^Gdear ^DAnnie
^GO ^Cyou New York girls, can't you ^Gdance the ^D
^Gpolka

Says she – You lime-juice sailor, now see me
home you may
But when we reached her cottage door, she unto
me did say
She says her man's a Yankee, with his hair cut
short behind
And he wears a pair of tall sea boots and he sails
in the Blackball Line

| (Chorus)

He's homeward bound this evening, and with me
he will stay
So get a move on sailor boy, get cracking on your
way!

| (Chorus)

I kissed her hard and proper, before her yankee
came
So fare ya well you Bowery girl, I know your little
game.

| (Chorus)

I wrapped me rags right round me and to the
docks did steer.
I'll never court another girl, I'll stick to rum and
beer

| (Chorus)

74 *Rolling Down to Old Maui*

It's a damn tough life, full of toil and strife, we
whaler men undergo,
And we won't give a damn when the gales are
done how hard the
winds did blow,
For we're homeward bound from the Arctic
grounds with a good ship
taught and free,
And we won't give a damn when we drink our
rum with the girls
from old Maui.

(Chorus)
Rolling down to old Maui, me boys, rolling
down to old Maui,
We're homeward bound from the Arctic
grounds, rolling down to old Maui.

Once more we sail with the northerly gales
through the ice and
Wind and rain, Them coconut fronds, them
tropical shores, we soon
shall see again;
Six hellish months we've passed away on the cold
Kamchatka sea,

But now we're bound from the Arctic grounds, rolling
down to old Maui.

(Chorus)

Once more we sail with the Northerly gales,
towards our island home,
Our whaling done, our mainmast sprung, and we
ain't got far to roam;
Our stuns'l's bones is carried away, what care we
for that sound,

A living gale is after us, thank God we're homeward
bound.

(Chorus)

How soft the breeze through the island trees, now
the ice is far astern,
Them native maids, them tropical glades, is
awaiting our return;
Even now their big brown eyes look out, hoping
some fine day to see,
Our baggy sails, running 'fore the gales, rolling down to
old Maui.

(Chorus)

75 *South Australia*

In South Australia I was born, heave away, haul
away
In South Australia, 'round Cape Horn, we're
bound for South Australia

(Chorus) Haul away your rolling kings,
heave away, haul away
Haul away, you'll hear me sing, we're bound
for South Australia

As I walked out one morning fair, heave away,
haul away
'Twas there I met Miss Nancy Blair, we're bound for
South Australia

(Chorus)

There's just one thing that's on my mind, heave
away, haul away
That's leaving Nancy Blair behind, we're bound for
South Australia

(Chorus)

And as we wallop around Cape Horn, heave away,
haul away
You'll wish to God you've never been born, we're bound
for South Australia

(Chorus)

In South Australia I was born, heave away, haul
away
In South Australia, 'round Cape Horn, we're
bound for South Australia

76 *Finnegan's Wake*

D
 Tim Finnegan lived in *Bm* Wattling Street
G *A*
 A gentle Irishman mighty odd
D *Bm*
 He'd a beautiful brogue so rich and sweet
G *A* *D*
 To rise in the world he carried a hod
D *Bm*
 See he'd sort of a tripling way
D *Bm*
 With love for a liquor poor Tim was born
D *Bm*
 To help him on with his work each day
G *A* *D*
 He'd a drop of the Craythor every morn'

D *Bm*
 [Chorus] And whack Fol-De-Dah now dance
 to your partner
G *A*
 Round the floor, your trotters shake
D *Bm*
 Wasn't it the truth I told you
G *A* *D*
 Lots of fun at Finnegan's wake

One morning Tim was rather full
 His head felt heavy, which made him shake
 Fell from the ladder and broke his skull
 So they carried him home, his corpse to wake
 Rolled him up in a nice clean sheet
 And laided him upon the bed
 A bottle of whiskey at his feet
 And a gallon of porter at his head
 [Chorus]
 His friends assembled at his wake
 And Missus Finnegan called for lunch
 First they brought in tay and cake
 Then pipes, tobacco and whiskey punch
 Biddy O'Brien begged to cry
 Such a nice clean corpse did you see
 Aye, Tim me boy, oh why did you die?
 Arrah shut your gob said Paddy MCGee
 [Chorus]
 Then Peggy O'Connor took up the job
 Biddy says she you're wrong I'm sure
 Biddy then gave her a belt on the gob
 And left her sprawling on the floor
 There the war did soon engage
 Woman to woman and man to man
 Shillelah-law was all the rage
 An a row and a ruction soon began
 [Chorus]
 Mickey Maloney raised his head
 When a bottle Of whiskey flew at him
 It missed him falling on the bed
 The liquor scattered over Tim
 Tim revives, see how he rises
 Timothy rising from the bed
 "Whirl your whiskey around like blazes?
 Tonamondeal, do you think I'm dead!?"
 [Chorus 2x]

77 Cavan Girl

^C As I walk the ^G road from ^{Am} Killeshandra, weary, I ^F
^{G C} sat down
 For it's twelve long ^G miles around the lake to get ^{Am}
 to Cavan Town ^{G F}
 Though Oughter and the road I go once seemed ^G
 beyond compare ^{Am G F}
 Now I curse the time it takes to reach my Cavan ^C
 girl, so fair ^G

The Autumn shades are on the leaves, the trees
 will soon be bare
 Each red-coat leaf around me seems the colour of
 her hair
 My gaze retreats, defies my feet, and once again I
 sigh
 As the broken pool of sky reminds the colour of
 her eyes

At the Cavan cross each Sunday morning, where
 she can be found
 And she seems to have the eye of every boy in (Chorus)
 Cavan Town
 If my luck will hold I'll have the golden summer
 of her smile
 And to break the hearts of Cavan men she'll talk
 to me a while

So next Sunday evening finds me homeward,
 Killeshandra bound
 To work the week 'til I return to court in Cavan
 Town (Chorus)
 When asked if she would be my bride, at least
 she'd not say no
 So next Sunday morning I'll rouse myself and
 back to her, I'll go

78 Fiddler's Green

^D As I roved by the ^G dockside one ^D evening so fair ^{Bm}
^D To view the salt waters and take in the salt air ^A
^G I heard/spied an old fisherman singing a song ^D
 Won't you take me away boys me time is not long ^{Em D A}

(Chorus) Wrap me up in me oilskin and ^{D A}
^D Jumper
^G No more on the docks I'll be seen ^A
^G Just tell me old shipmates, I'm taking a trip ^D
 mates
 And I'll see you someday on Fiddlers ^{A7 D} Green

Now Fiddler's Green is a place I've heard tell
 Where the fishermen go if they don't go to hell
 Where the weather is fair and the dolphins do
 play

And the cold coast of Greenland is far, far away

Yes the weather is fair and there's never a gail
 And the fish jump on board with one swish on
 their tail
 You can lie at your leisure, there's no work to do
 And the skipper's below making tea for the crew

When pull into port and the long trip is through
 There's pubs and there's clubs and there's lassies
 there too
 And the girls are all pretty and the beer is all free
 And there's bottles of rum growing on every tree.

(Chorus)

Now I don't need a harp nor a halo, not me
 Just give me a breeze and a good rolling sea
 I'll play me old squeeze-box as we sail along
 With the wind in the riggin to sing me a song

(Chorus)

79 *The Devil's Courtship*

"I'll buy you a pennyworth o' priens
If that be the way true love begins
If ye'll gang alang wi' me m'dear, if ye'll gang
 alang wi' me?"

"Ye can hae your pennyworth of priens
Though that be the way true love begins
For I'll never gang wi' you m'dear, I'll never gang
 wi' you."

"I'll buy you a braw snuff box
Nine times opened, nine times locked
If ye'll gang alang wi' me m'dear, if ye'll gang
 alang wi' me?"

"You can hae your braw snuff box
Nine times opened, nine times locked
For I'll never gang wi' you m'dear, I'll never gang
 wi' you."

"I'll buy you a silken goon
Wi' nine stripes up and nine stripes doon
If ye'll gang alang wi' me m'dear, if ye'll gang
 alang wi' me?"

"You can hae your silken goon
Wi' nine stripes up and nine stripes doon
For I'll never gang wi' you m'dear, I'll never gang
 wi' you."

"I'll buy you a nine stringed bell
Tae call yer maid when'er you will
If ye'll gang alang wi' me m'dear, if ye'll gang
 alang wi' me?"

"You can keep your nine stringed bell
Tae call my maid when'er I will
For I'll never gang wi' you m'dear, I'll never gang
 wi' you."

"I'll gie you a kist o' gold
Tae comfort you when you are old
If ye'll gang alang wi' me m'dear, if ye'll gang
 alang wi' me?"

"These are fine words you say
So mount up lad you've won the day
I'll gang alang wi' you m'dear, I'll gang alang wi'
 you."

They'd scarcely gone a mile
Before she spied his cloven heel
"I rue I come wi' you" she says, "I rue I come wi'
 you."

"I'll grip ye hard and fast,
Gold won your virgin heart at last
And I'll no part wi' you m'dear, I'll never part wi'
 you."

And as they were galloping along
The cold wind carried her mournful song
"I rue I come wi' you" she says, "I rue I come wi'
 you."
"I rue I come wi' you" she says, "I rue I come wi'
 you."

80 *Tell Me Ma*

(Chorus) O ^GTell me ma when I ^Cgo ^Ghome
The ^Dboys won't leave the ^Ggirls alone
They ^Gpull my hair, they ^Cstole my ^Gcomb
But ^Dthat's all right till I ^Ggo home
She is handsome, she is pretty
^GShe is the belle of ^DBelfast city
^GShe is a-courting ^Cone two three
^GPray, would you tell me ^Dwho is she ^G

Albert Mooney says he loves her
All the boys are fighting for her
Knock at the door and they ring that bell
Oh my true love, are you well
Out she comes as white as snow
Rings on her fingers and bells on her toes
Old Jenny Murray says she will die
If she doesn't get the fella with the roving eye
(Refrain)

Let the wind and the rain and the hail blow high
And the snow come toppling from the sky
She's as sweet as apple pie
And she'll get her own lad by and by
When she gets a lad of her own
She won't tell her ma till she comes home
Let them all come as they will
For it's Albert Mooney she loves still
(Refrain)

81 *Midnight Moonlight*

G If you ever feel lonesome, and you're down in
San Antone *D*
Am Beg steal or borrow *D* two nickels or a *C* dime and
D call me on the phone
And I'll meet you at Alamo Mission where we can
say our prayers
And the Holy Ghost and the Virgin Mother will
heal us as we kneel there.

(Chorus2x) *Am* In the moonlight in *D* the midnight *Am*
Am In the moonlight *D* midnight moon—*G*light.

If you ever feel sorrow for things you might have
done
With no hope for tomorrow and the setting of the *D*
sun
And the ocean is howling of things that might
have been
And that last good morning sunrise will be the brightest
C
you've everseen.

| (Chorus)

Repeat both verses

82 *Early Morning Rain*

In the early morning rain with a dollar in my
hand
With an aching in my heart and my pockets full
of sand
I'm a long way from home, Lord, I miss my loved
ones so
In the early morning rain with no place to go

Out on runway number nine a big 707 set to go
And, I'm stuck here in the grass where the
pavement never grows
Now, the liquor tasted good and the women all
were fast
Well, there she goes, my friend, she'll be rolling
down at last

Hear the mighty engines roar, see the silver wing
on high
She's away and westward bound, far above the
clouds she'll fly

There the morning rain don't fall and the sun
always shines
She'll be flying over my home in about three
hours time

This old airport's got me down, it's no earthly
good to me
And I'm stuck here on the ground as cold and
drunk as I can be
You can't jump a jet plane like you can a freight
train
So, I'd best be on my way in the early morning
rain

You can't jump a jet plane like you can a freight
train
So, I'd best be on my way in the early morning
rain

Earl-eye in the morning!

(Chorus)

Put him in a class with Dr. Olsson, (*Name may vary)
Put him in a class with Dr. Olsson,
Put him in a class with Dr. Olsson,
Earl-eye in the morning!

What do you do with a drunken sailor,
What do you do with a drunken sailor,
What do you do with a drunken sailor,
Earl-eye in the morning!
(Chorus 2x)

84 The Moonshiner

(Chorus) I'm a rambler, I'm a gambler, I'm
a long way from home
And if you don't like me, well, leave me
alone
I'll eat when I'm hungry, I'll drink when I'm
dry
And the moonshine don't kill me, I'll live til
I die

I've been a moonshiner for many a year
I've spent all me money on whiskey and beer
I'll go to some hollow, I'll set up my still
And I'll make you a gallon for a ten shilling bill

(Chorus)

I'll go to some hollow in this counterie
Ten gallons of wash I can go on a spree
No women to follow, the world is all mine
I love none so well as I love the moonshine

(Chorus)

Oh, moonshine, dear moonshine, oh, how I love
thee
You killed me old father, but don't you try me
God Bless all moonshiners and Bless all
moonshine
Their breath smells as sweet as the dew on the
vine

85 *The Wreck of the Edmund
Fitzgerald*

Asus2 *Em*
The legend lives on from the Chippewa on down
G D Asus2
Of the big lake they call Gitche Gumee
The lake, it is said, never gives up her dead
When the skies of November turn gloomy
With a load of iron ore twenty-six thousand tons
more
Than the Edmund Fitzgerald weighed empty
That good ship and crew was a bone to be chewed
When the gales of November came early

The ship was the pride of the American side
Coming back from some mill in Wisconsin
As the big freighters go, it was bigger than most
With a crew and good captain well seasoned
Concluding some terms with a couple of steel
firms
When they left fully loaded for Cleveland
Then later that night when the ship's bell rang
Could it be the north wind they'd been feelin'?

The wind in the wires made a tattle-tale sound
When the wave broke over the railing
And every man knew, as the captain did too
'Twas the witch of November come stealin'
The dawn came late and the breakfast had to wait
When the gales of November came slashin'
When afternoon came it was freezing rain
In the face of a hurricane west wind

When suppertime came, the old cook came on
deck
Saying, "Fellas, it's too rough to feed ya."
At seven PM a main hatchway caved in
He said, "Fellas, it's been good to know ya."
The captain wired in he had water comin' in
And the good ship and crew was in peril
And later that night when his lights went out of
sight
Came the wreck of the Edmund Fitzgerald

Does anyone know where the love of God goes
When the waves turn the minutes to hours?
The searchers all say they'd have made Whitefish
Bay
If they'd put fifteen more miles behind her
They might have split up or they might have
capsized
They may have broke deep and took water
And all that remains is the faces and the names
Of the wives and the sons and the daughters

Lake Huron rolls, Superior sings
In the rooms of her ice-water mansion
Old Michigan steams like a young man's dreams
The islands and bays are for sportsmen
And farther below, Lake Ontario
Takes in what Lake Erie can send her
And the iron boats go as the mariners all know
With the gales of November remembered

In a musty old hall in Detroit they prayed
In the Maritime Sailors' Cathedral
The church bell chimed 'til it rang twenty-nine
times
For each man on the Edmund Fitzgerald
The legend lives on from the Chippewa on down
Of the big lake they call Gitche Gumee
Superior, they said, never gives up her dead
When the gales of November come early

88 *Cold Missouri Waters*

C My name is Dodge, but then you *Am* know that
F 'Cause it's written on the chart there at the foot *C*
end of the bed *G*
They think I'm blind or I can't read it *Am*
F I've read it every word, and every word it says is *C*
'death' *G*
So, Confession – is that the reason that you came *F* *C*
Get it off *Am* my chest before I check out of the *F*
game *G*
Since you mention it, well there's thirteen things *Am* *F*
I'll name *C*
Dm Thirteen crosses high above the cold Missouri *F* *G*
waters *C*

August 'Forty-Nine, north Montana
The hottest day on record, the forest tinder dry
Lightning strikes in the mountains
I was crew chief at the jump base; I prepared
those boys to fly
Into the drop zone, C-47 comes in low
Feel the tap upon your leg that tells you go
See the circle of that fire down below
Fifteen of us dropped above the cold Missouri
waters

I gauged the fire – I'd seen bigger
So I ordered them to sidehill and we'd fight it
from below
We'd have our backs to that river
We'd have it licked by morning even if we took it
slow
But the fire crowned, it jumped the valley just
ahead
There was no way down, we headed for the ridge
instead
Too big to fight it, we'd have to fight that slope
instead
Flames one step behind above the cold Missouri
waters

Sky had turned red, the slope was boiling
Two hundred yards to safety, death was fifty
yards behind
I don't know why, I just thought it
I struck a match to waist-high grass, running out
of time
Tried to tell them, step into this fire I've set
We can't make it; this is the only chance you'll
get
But they cursed me, ran for the rocks above
instead
I lay face down and prayed above the cold
Missouri waters

And when I rose, like the phoenix
In that world reduced to ashes, there were none
but two survived
I stayed that night and one day after
Carried bodies to the river, wondering how I'd
stayed alive
Thirteen Stations of the Cross to mark to their
fall
I've had my say, I'll confess to nothing more
And I'll join them now, those that left me long
before
Thirteen crosses high above the cold Missouri
waters
Thirteen crosses high above the cold Missouri
shore

89 Those Were the Days

Em
Once upon a time there was a tavern
E7 *Am*
Where we used to raise a glass or two
Em
Remember how we'd laugh away the hours
F# *B7*
And dream of all the great things we would do

(Chorus) Those were the *Em* days my friend
We thought they'd never end *Am*
We'd sing and dance forever and a day *D D7 G*
We'd live the life we choose *Am*
We'd fight and never lose *Em*
For we were young and sure to have our *B7*
way *Am*
Em
La la la la la la
Am
La la la la la la
D D7 G
La-la-la-la-la
Am Em B7 Em
La la, la la la la

Then the busy years went rushing by us
We lost our starry notions on the way
If by chance I'd see you in the tavern
We'd smile at one another and we'd say

(Chorus)

Just tonight I stood before the tavern
Nothing seemed the way it used to be
In the glass I saw a strange reflection
Was that lonely fellow really me

(Chorus)

Through the door there came familiar laughter
I saw your face and heard you call my name
Oh my friends we're older but no wiser
For in our hearts the dreams are still the same

90 Marie's Wedding

(Chorus) *G* Step we gaily on we go
C *D*
Heel for heel and toe for toe
G
Arm and arm and row and row
C *D*
All for Marie's wedding

Over hillways, up and down
Myrtle green and bracken brown
Past the sheilings through the town
All for the sake of marie
(Refrain)
Red her cheeks as rowan's are
Bright her eyes as any star
Fairest of them all by far
Is our darlin' marie
(Refrain)
Plenty herring, plenty meal
Plenty peat to fill her kreen
Plenty bonnie bairns as well
That's the toast for Marie
(Refrain 2x)

91 *The Old Churchyard*

G Come, come with me to the *D* old *Bm* churchyard *A*
D
I so well know that paths 'neath the soft green
G
sward
Friends in there that we want stay regard;
We can trace out their names in the old
churchyard

D
Mourn not for them, for their trials are o'er
Bm *G* *D* *A*
And why weep for those who will weep no more?
G *D* *Bm* *A*
For sweet is their sleep, though cold and hard
D *G*
Their pillows lay deep in the old churchyard

I know that it's vain when our friends depart
To breathe kind words to a broken heart;
And I know that the joy of life is marred
When we follow lost friends to the old churchyard

But were I at rest 'neath yonder tree
(Oh), why would you weep, my friends, for me?
I'm so weary, so wayworn, why would you retard
The peace that I seek in the old churchyard?

Why weep for me, for I'm ready(anxious) to go
To that haven of rest where no tears ever flow;
And I fear not to enter that dark lonely tomb
Where our Savior has lain and conquered the
gloom

I rest in the hope that one bright day
Sunshine will burst to these prisons of clay
And (old)Gabriel's trumpet and then voice of the
Lord
Will wake up the dead in the old churchyard.

93 Wayfaring Stranger

^{Am}
I'm just a poor warfarin' stranger,
^{Dm}Traveling' through this world below ^{Am}
There is no sickness, no toil, no danger,
^{Dm}In that bright land to which I go., ^E ^{Am}

^FI'm going there to see my father. ^C
^FAnd all my loved ones who've gone on ^E
^{Am}I'm just going over Jordan
^{Dm}^E ^{Am}
I'm just goingover home

I know dark clouds will gather 'round me,
I know my way is hard and steep.
But beauteous fields arise before me,
Where God's redeemed, their vigils keep.

I'm going there to see my mother.
She said she'd meet me when I come.
I'm just going over Jordan
I'm just going over home

I'm just going over Jordan
I'm just going over home

Whom should I spy but my own true lover
As she sat under yon willow tree

I took off my hat and I did salute her
I did salute her most courageously
When she turned around well the tears fell from
her
Sayin' "False young man, you have deluded me

A diamond ring I owned I gave you
A diamond ring to wear on your right hand
But the vows you made, love, you went and broke
them
And married the lassie that had the land"

"If I'd married the lassie that had the land, my
love
It's that I'll rue till the day I die
When misfortune falls sure no man can shun it
I was blindfolded I'll ne'er deny"

Now at nights when I go to my bed of slumber
The thoughts of my true love run in my mind
When I turned around to embrace my darling
Instead of gold sure it's brass I find

And I wish the Queen would call home her army
From the West Indies, Amerikay and Spain
And every man to his wedded woman
In hopes that you and I will meet again.

95 *Charlie on the M.T.A.*

Well, let me tell you of the story of a man named
Charley on a tragic and fateful day
He put ten cents in his pocket, kissed his wife and
family, went to ride on the M.T.A.

Well, did he ever return? No, he never returned
and his fate is still unknown
(What a pity! Poor ole Charlie. Shame and
scandal. He may ride forever. Just like Paul
Revere)
He may ride forever 'neath the streets of Boston.
He's the man who never returned

Charlie handed in his dime at the Kendall Square
Station and he changed for Jamaica Plain
When he got there the conductor told him, "One
more nickel." Charlie couldn't get off of that
train

Well, did he ever return? No, he never returned
and his fate is still unknown
(What a pity! Poor ole Charlie. Shame and
scandal. He may ride forever. Just like Paul
Revere)
He may ride forever 'neath the streets of Boston.
He's the man who never returned

Now, all night long Charlie rides through the
station, crying, "What will become of me?!"
How can I afford to see my sister in Chelsea or
my cousin in Rocksbury?"

Well, did he ever return? No, he never returned
and his fate is still unknown
(What a pity! Poor ole Charlie. Shame and
scandal. He may ride forever. Just like Paul
Revere)
He may ride forever 'neath the streets of Boston.
He's the man who never returned

Charlie's wife goes down to the Sculley Square
Station every day at quarter past two
And through the open window she hands Charlie
a sandwich as the train comes rumblin'
through

Well, did he ever return? No, he never returned
and his fate is still unknown
(What a pity! Poor ole Charlie. Shame and
scandal. He may ride forever. Just like Paul
Revere)
He may ride forever 'neath the streets of Boston.
He's the man who never returned

Now, you citizens of Boston, don't you think it's a
scandal how the people have to pay and pay?
Fight the fare increase! Vote for George O'Brien!
Get poor Charlie off the M.T.A.

Well, did he ever return? No, he never returned
and his fate is still unknown
(What a pity! Poor ole Charlie. Shame and
scandal. He may ride forever. Just like Paul
Revere)
He may ride forever 'neath the streets of Boston.
He's the man who never returned

He's the man who never returned. He's the man
who never returned
E tu, Charlie?

96 *Swing low*

(Chorus) **Swing low, sweet chariot
Coming for to carry me home
Swing low, sweet chariot
Coming for to carry he home**

I looked over Jordan and what did I see
Coming for to carry he home
A band of angels coming after me
Coming for to carry me home

(Chorus)

If you get there before I do
Coming for to carry me home
Tell all my friends I'm coming too
Coming for to carry me home

97 *White Squall*

G
Now it's just my luck to have the watch, with
Em C
nothing left to do
Bm Em
But watch the deadly waters glide as we roll
D
north to the 'Soo',
G Em
And wonder when they'll turn again and pitch us
C
to the rail
Bm D G
And whirl off one more youngster in the gale.
The kid was so damned eager. It was all so big
and new. (Chorus)
You never had to tell him twice, or find him work
to do.
And evenings on the mess deck he was always
first to sing,
And show us pictures of the girl he'd wed in
spring.

(Chorus) *D*
But I told that kid a hundred
C Bm
times "Don't take the Lakes for granted.
C Bm
They go from calm to a hundred knots so
Em D
fast they seem enchanted."
G
But tonight some red-eyed Wiarton girl lies
Em C
staring at the wall,
Bm D G
And her lover's gone into a white squall.

Now it's a thing that us oldtimers know. In a
sultry summer calm
There comes a blow from nowhere, and it goes off
like a bomb.
And a fifteen thousand tonner can be thrown
upon her beam
While the gale takes all before it with a scream.
The kid was on the hatches, lying staring at the
sky.
From where I stood I swear I could see tears fall
from his eyes.
So I hadn't the heart to tell him that he should
be on a line,
Even on a night so warm and fine.

(Chorus)

When it struck, he sat up with a start; I roared
to him, "Get down!"
But for all that he could hear, I could as well not
made a sound.
So, I clung there to the stanchions, and I felt my
face go pale,
As he crawled hand over hand along the rail.
I could feel her keeling over with the fury of the
blow.
I watched the rail go under then, so terrible and
slow.
Then, like some great dog she shook herself and
roared upright again.
Far overside. I heard him call my name.

So it's just my luck to have the watch, with
nothing left to do
But watch the deadly waters glide as we roll
north to the 'Soo',
And wonder when they'll turn again and pitch us
to the rail
And whirl off one more youngster in the gale.
But I tell these kids a hundred times "Don't take
the Lakes for granted.
They go from calm to a hundred knots so fast
they seem enchanted."
But tonight some red-eyed Wiarton girl lies
staring at the wall,
And her lover's gone into a white squall

98 *Star of the County Down*

Em *G* *D*
In Banbridge Town in the County Down
Em *C* *D*
One morning last July,
Em *G* *D*
From a boreen green came a sweet colleen
Em *D* *Em*
And she smiled as she passed me by.
G *D*
She looked so sweet from her two bare feet
Em *C* *D*
To the sheen of her nut brown hair.
Em *G* *D*
Such a coaxing elf, sure I shook myself
Em *D* *Em*
For to see I was really there.

[Chorus] *G* *D*
From Bantry Bay up to Derry
Quay and
Em *C* *D*
From Galway to Dublin Town,
Em *G* *D*
No maid I've seen like the brown colleen
Em *D* *Em*
That I met in the County Down.

As she onward sped, sure I scratched my head,
And I looked with a feelin' rare,
And I say's, say's I, to a passer-by,
"Whose the maid with the nut brown hair"?
He smiled at me and he says, say's he,
"That's the gem of Ireland's crown.
It's Rosie McCann from the banks of the Bann,
She's the star of the County Down".
[Chorus]
At the Harvest Fair she'll be surely there
And I'll dress in my Sunday clothes,
With my shoes shone bright and my hat cocked
Right for a smile from my nut brown rose.
No pipe I'll smoke, no horse I'll yoke
Till my plough turns rust colored brown.
Till a smiling bride, by my own fireside
Sits the star of the County Down.
[Chorus]

99 *Shady Grove*

Dm *C*
Shady Grove, my little love
Dm
Shady Grove I say
F *C*
Shady Grove, my little love
Dm
I'm bound to go away

Cheeks as red a a blooming rose
And eyes are the prettiest brown
She's the darling of my heart
Sweetest girl in town

I wish I had a big fine horse
And corn to feed him on
And Shady Grove to stay at home
And feed him while I'm gone

Went to see my Shady Grove
She was standing in the door
Her shoes and stockin's in her hand
And her little bare feet on the floor

When I was a little boy
I wanted a Barlow knife
And now I want little Shady Grove
To say she'll be my wife

A kiss from pretty little Shady Grove
Is sweet as brandy wine
And there ain't no girl in this old world
That's prettier than mine

Shady Grove, my little love
Shady Grove I say
Shady Grove, my little love
I'm bound to go away

100 *Barret's Privateers*

Oh, the year was 1778,
HOW I WISH I WAS IN SHERBROOKE NOW!
A letter of marque came from the king,
To the scummiest vessel I'd ever seen,

Then at length we stood two cables away,
HOW I WISH I WAS IN SHERBROOKE NOW!
Our cracked four pounders made an awful din
But with one fat ball the Yank stove us in

(Chorus)

(Chorus) Oh damn them all!
I was told we'd cruise the seas for American
gold
We'd fire no guns—shed no tears
Now I'm a broken man on a Halifax pier
The last of Barrett's Privateers.

The Antelope shook and pitched on her side,
HOW I WISH I WAS IN SHERBROOKE NOW!
Barrett was smashed like a bowl of eggs
And the Maintruck carried off both me legs

(Chorus)

Oh, Elcid Barrett cried the town,
HOW I WISH I WAS IN SHERBROOKE NOW!
For twenty brave men all fishermen who
would make for him the Antelope's crew

So here I lay in my 23rd year,
HOW I WISH I WAS IN SHERBROOKE NOW!
It's been 6 years since we sailed away
And I just made Halifax yesterday

(Chorus)

The Antelope sloop was a sickening sight,
HOW I WISH I WAS IN SHERBROOKE NOW!
She'd a list to the port and her sails in rags
And the cook in scuppers with the staggers and the jags

(Chorus)

(Chorus)

On the King's birthday we put to sea,
HOW I WISH I WAS IN SHERBROOKE NOW!
We were 91 days to Montego Bay
Pumping like madmen all the way

(Chorus)

On the 96th day we sailed again,
HOW I WISH I WAS IN SHERBROOKE NOW!
When a bloody great Yankee hove in sight
With our cracked four pounders we made to fight

(Chorus)

The Yankee lay low down with gold,
HOW I WISH I WAS IN SHERBROOKE NOW!
She was broad and fat and loose in the stays
But to catch her took the Antelope two whole days

(Chorus)

101 *Roarin' Mary*

^D
You're a bear in a sheepskin coat
^G And ^DO'Donnell caught you on the boat
And three little piggies on Walkin street
^A
Have gobbled up all your corn to eat.

^D With a too-ra-loo-ra-loo-rae-ay
^A Whack fol da diddle loora-da-o-may. ^D

Now Buckeye jim has lost his way
Saving his corn for a rainy day
And North Country beagles have run awry
With a Billy O'Neil just a-wonderin' why.

Too-ra-loo-ra-loo-rae-ay
Whack fol da diddle loora-da-o-may.

I lost three dimes on a horse called Stewball,
By a dozen lusty mares was called
And when they got him back to his stable
Owner says I hope to God you're able.

| (Chorus)

Had a girl by the banks of the Ohio
Suckled by wind and rain and snow
No honest man on earth could keep her
So she ran off with a Scottish preacher.

| (Chorus)

I had a girl called Roarin' Mary
And with her I am feign to dally
No hope left on that blind man's table
I'll settle down with a cock-right fable.

| (Chorus)

102 *Amazing Grace*

^D ^{D7} ^G ^D
Amazing grace! How sweet the sound
That saved a wretch like me! ^A
^D ^{D7} ^G ^D
I once was lost, but now am found;
^{Bm} ^A ^D
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed.

Through many dangers, toils and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home.

The Lord has promised good to me,
His Word my hope secures;
He will my Shield and Portion be,
As long as life endures.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we'd first begun.

103 *Big Iron*

C To the town of Agua Fria rode a stranger one fine *Am*
day

C Hardly spoke to folks around him didn't have too
Am much to say

F No one dared to ask his business no one dared to *C*
make a slip

For the stranger there among them had a big *Am*
iron on his hip

F Big iron on his hip *C*

It was early in the morning when he rode into the
town

He came riding from the south side slowly lookin'
all around

He's an outlaw loose and running came the
whisper from each lip

And he's here to do some business with the big
iron on his hip

Big iron on his hip

In this town there lived an outlaw by the name of
Texas Red

Many men had tried to take him and that many
men were dead

He was vicious and a killer though a youth of
twenty four

And the notches on his pistol numbered one and
nineteen more

One and nineteen more

Now the stranger started talking made it plain to
folks around

Was an Arizona ranger wouldn't be too long in
town

He came here to take an outlaw back alive or
maybe dead

And he said it didn't matter he was after Texas
Red

After Texas Red

Wasn't long before the story was relayed to Texas
Red

But the outlaw didn't worry men that tried
before were dead

Twenty men had tried to take him twenty men
had made a slip

Twenty one would be the ranger with the big iron
on his hip

Big iron on his hip

The morning passed so quickly it was time for
them to meet

It was twenty past eleven when they walked out
in the street

Folks were watching from the windows
every-body held their breath

They knew this handsome ranger was about to
meet his death

About to meet his death

There was forty feet between them when they
stopped to make their play

And the swiftness of the ranger is still talked
about today

Texas Red had not cleared leather fore a bullet
fairly ripped

And the ranger's aim was deadly with the big
iron on his hip

Big iron on his hip

It was over in a moment and the folks had
gathered round

There before them lay the body of the outlaw on
the ground

Oh he might have went on living but he made one
fatal slip

When he tried to match the ranger with the big
iron on his hip

Big iron on his hip

Big iron Big iron

When he tried to match the ranger with the big
iron on his hip

Big iron on his hip

Em D C D G
One more dollar and I'm going home

No work said the boss at the bunk house door
There's a freeze on the branches
So when the dice came out at the bar downtown
I rolled and I took my chances.

A long time ago I left my home
Just a boy passing twenty
Could you spare a coin and a Christian prayer
For my luck has turned against me.

 From the Murrays green basin to the dusty
 outback
 I waltzed my Matilda all over
 Then in ^D nineteen fifteen my ^C country said ^G Son
^D It's time to stop rambling 'cause there's ^C work to
 be done
 So they gave me a tin hat and they gave me a
^{Em} gun
 And they sent me away to the war
 And the band played ^C Waltzing ^G Matilda
 As we sailed away from the quay
^C And amidst all the tears and the shouts and the ^{Am} ^G
^{Em} cheers
^G We sailed off to ^D Gallipoli ^G

How well I remember that terrible day
 How the blood stained the sand and the water
 And how in that hell that they called Suvla Bay
 We were butchered like lambs at the slaughter
 Johnny Turk he was ready, he primed himself well
 He chased us with bullets, he rained us with shells
 And in five minutes flat he'd blown us all to hell
 Nearly blew us right back to Australia
 But the band played Waltzing Matilda
 As we stopped to bury our slain
 We buried ours and the Turks buried theirs
 Then we started all over again

Now those that were left, well we tried to survive
 In a mad world of blood, death and fire
 And for ten weary weeks I kept myself alive
 But around me the corpses piled higher
 Then a big Turkish shell knocked me arse over
 head
 And when I woke up in my hospital bed
 And saw what it had done, I wished I was dead
 Never knew there were worse things than dying
 For no more I'll go waltzing Matilda
 All around the green bush far and near
 For to hump tent and pegs, a man needs two legs
 No more waltzing Matilda for me

So they collected the cripples, the wounded, the
 maimed
 And they shipped us back home to Australia
 The armless, the legless, the blind, the insane
 Those proud wounded heroes of Suvla
 And as our ship pulled into Circular Quay
 I looked at the place where my legs used to be
 And thank Christ there was nobody waiting for
 me
 To grieve and to mourn and to pity
 And the band played Waltzing Matilda
 As they carried us down the gangway
 But nobody cheered, they just stood and stared
 Then turned all their faces away

And now every April I sit on my porch
 And I watch the parade pass before me
 And I watch my old comrades, how proudly they
 march
 Reliving old dreams of past glory
 And the old men march slowly, all bent, stiff and
 sore
 The forgotten heroes from a forgotten war
 And the young people ask, "What are they
 marching for?"
 And I ask myself the same question
 And the band plays Waltzing Matilda
 And the old men answer to the call
 But year after year their numbers get fewer
 Some day no one will march there at all

Waltzing Matilda, Waltzing Matilda
 Who'll go a waltzing Matilda with me
 And their ghosts may be heard as you pass the
 Billabong
 Who'll go a waltzing Matilda with me?

107 Blacks and Tans

Bm
I was born in the Dublin street
A
Where the loyal drums do beat,
Bm
And the loving English feet walked all over us; (Chorus)
D *A*
And every single night when me dad would come
home tight,
Bm *A* *Bm*
He'd invite the neighbours out with this chorus:

[Chorus] *Bm*
Come out you black and tans,
A
Come out and fight me like a man,
Bm
Show your wife how you won medals down
in Flanders;
D *A*
Tell her how the IRA made you run like hell
away,
Bm *A*
From the green and lovely lanes of
Bm
Killeshandra.

Come tell us how you slew
Them ol' Arabs two by two,
Like the Zulus they had knives and bows and
arrows;
Of how bravely you faced one with your
sixteen-pounder gun,
And you frightened all the natives to the marrow.

(Chorus)

Come let us hear you tell
How you slammed the brave Parnell,
And taught him well and truly persecuted;
Where are the stares and jeers that you proudly
let us hear,
When our heroes of sixteen were executed.

(Chorus)

Oh! Come out you British Huns,
Come out and fight without your guns,
Show your wife how you won medals up in Derry;
You murdered sixteen men and you'll do the same
again,
So get out of here and take your bloody army.

(Chorus)

The day is coming fast
And the time is here at last,
When each yeoman will be cast aside before us,
And if there be a need
Sure my kids wil sing, "Godspeed!"
With a verse or two of Steven Beehan's chorus.

108 Annie Laurie

G *C*
Maxwellton braes are bonnie,
G *D*
Where early fa's the dew,
G *C*
And 'twas there that Annie Laurie
G *D* *G*
Gave me her promise true.
D7 *G*
Gave me her promise true,
D7 *G*
Which ne'er forgot will be,
C *G*
And for bonnie Annie Laurie,
D *G*
I lay me doon and dee.

Her brow is like the snowdrift,
Her neck is like a swan,
Her face it is the fairest
That e'er the sun shone on.
That e'er the sun shone on,
And dark blue is her ee,
And for bonnie Annie Laurie
I lay me doon and dee.

Like dew on th' gowan lying,
Is the fa' o' her fairy feet,
And like winds in summer sighing
Her voice is low and sweet.
Her voice is low and sweet,
And she's a' the world to me,
And for bonnie Annie Laurie,
I lay me doon and dee.

109 *Molly Malone*

G *Em*
In Dublin's fair city
Am *D*
Where the girls are so pretty
G *Em* *Am* *D*
I first set my eyes on sweet Molly Ma—lone
G *Em*
As she wheeled her wheel—barrow
Am *D*
Through the streets broad and narrow
G *Em/C* *D* *G*
Crying "cockles and mussels, alive, alive, oh"
G *Em*
Alive, alive, oh
Am *D*
Alive, alive, oh
G *Em/C* *D* *G*
Crying "cockles and mussels, alive, alive, oh"
She was a fishmonger
And sure, t'was no wonder
For so were her mother and father before
And they wheeled their barrow
Through the streets broad and narrow
Crying "cockles and mussels, alive, alive, oh"
(Refrain)
She died of a fever
And sure, so one could save her
And that was the end of sweet Molly Malone
Now her ghost wheels her barrow
Through the streets broad and narrow
Crying "cockles and mussels, alive, alive, oh"
(Refrain 2x)

110 *If I was a Blackbird*

I am a young sailor, my story is sad,
Though once I was carefree and a brave sailor lad,
I courted a lassie by night and by day,
Oh but now she has left me,
And sailed far away.

(Chorus) Oh, if I was a blackbird could
whistle and sing,
I'd follow the vessel my true love sails in,
And in the top riggin' I would there build
my nest,
And I'd flutter my wings o'er her lilly white
breast.

Or if I was a scholar and could handle the pen
Once secret love letter to my true love I'd send
And tell of my sorrow, my grief and my pain
Since she's gone and left me
In yon flowery glen.

(Chorus)

I sailed o'er the ocean, my fortune to seek
Though I missed her caress and her kiss on my
cheek
I returned and I told her my love was still warm
but she turned away lightly
And great was her scorn.

(Chorus)

I offered to take her to Donnybrook Fair
And to buy her fine ribbons to tie up her hair
I offered to marry and to stay by her side
But she says in the morning
She sails with the tide.

(Chorus)

My parents, they chide me, oh they will not agree
Saying that me and my false love, married should
never be
Oh but let them deprive me, or let them do what
they will
While there's breath in my body
She's the one that I love still

(Chorus)

111 *Roddy McCorley*

O see the fleet-foot host of men, who speed with
faces drawn,
From farmstead and from fishers' hut, along the
banks of Ban;
They come with vengeance in their eyes. Too
late! Too late are they,

For young Roddy McCorley goes to die on the
bridge of Toome today.

Up the narrow street he stepped, smiling, proud
and young.
About the hemp-rope on his neck, the golden
ringlets clung;
There's ne'er a tear in his blue eyes, both glad
and bright are they,

As young Roddy McCorley goes to die on the
bridge of Toome
today.

When he last stepped up that street, his shining
pike in hand
Behind him marched, in grim array, a stalwart
earnest band.
To Antrim town! To Antrim town, he led them to
the fray,

As young Roddy McCorley goes to die on the
bridge of Toome today.

There's never a one of all your dead more bravely
fell in fray
Than he who marches to his fate on the bridge of
Toome today;
True to the last! True to the last, he treads the
upwards way,

And young Roddy McCorley goes to die on the
bridge of Toome today.

And young Roddy McCorley goes to die on the
bridge of Toome today.

112 *The Devil Down Below*

I used to be a fisherman, on the icy crests we'd
ride
Like a banshee on the wind, we'd sail the ocean
wide.
From the shoals of Yarmouth Bay to
Newfoundland we'd go...

And we'd shout! Shout! Shout! Shout at the
Devil down below

Out to the snows of Greenland, into the
screaming gale
Out into the storm, chasing down the whale
When the harpoon struck, the mighty fish would
blow...

And we'd shout! Shout! Shout! Shout at the
Devil down below

In our bunks we'd find no solace, no comfort just
remorse
We'd curse at the bad fortune that had set us on
this course
Gathered 'round the lamplight we'd sing both
high and low...

And we'd shout! Shout! Shout! Shout at the
Devil down below

From the rocks of Lizard Reef to Plymouth we
are bound
The skipper's yelling blood as the jagged cliffs we
round
Jack Duggan in the foresail, Billy Reilly in the
crow...

And we'd shout! Shout! Shout! Shout at the
Devil down below

Only when we'd quenched this mighty vessel's
appetite
Would the captain tell us "Lads, we'll be going
home tonight!"
We'd turn to the raging sea and we'd raise our
fists and yell,
"You won't be seeing us today, you won't be
seeing us in Hell!"

Once ashore we'd head into the pub for a tankard
full of ale
One day would turn into a week and the time
would come to sail
We'd say goodbye to the girls we love, then off
from the shore we'd row...

And we'd shout! Shout! Shout! Shout at the
Devil down below
And we'd shout! Shout! Shout! Shout! Shout at
the Devil down below

114 *Walk on Boy*

115 *The little beggarmen*

I am a little beggarman, a-begging I have been
For three score or more in this little isle of green
I'm known from the Liffey down to Segue
And I'm known by the name of old Johnny Dhu

Of all the trades that's going, I'm sure begging is
the best
For when a man is tired, he can sit down and rest
He can beg for his dinner, he has nothing else to
do

Only cut around the corner with his old rig-a-doo

I slept in the barn right down at Caurabawn
A wet night came on and I slept until the dawn
With holes in the roof and the rain coming
through
And the rats and the cats, they were playing
peek-a-boo

When who did I waken but the woman of the
house
With her white spotty apron and her calico blouse
She began to frighten, I said, "Boo
Ara, don't be afraid, ma'am, it's only Johnny
Dhu"

I met a little flaxy-haired girl one day
"Good morning, little flaxy-haired girl," I did say
"Good morning, little beggarman, and how do
you do
With your rags and your tags and your old
rig-a-doo?"

I'll buy a pair of leggings and a collar and a tie
And a nice young lady I'll fetch by and by
I'll buy a pair of goggles, I'll color them blue
And an old-fashioned lady I will make her, too

Over the road with me pack on me back
Over the fields with me great, heavy sack
With holes in me shoes and me toes peeping
through
Singing, "Skinny-me-rink-a-doodle-o and old
Johnny Dhu"

I must be going to bed for it's getting late at
night
The fire's all raked and out goes the light
So now you've heard the story of me old
rig-a-doo
"It's good-bye and God be with you," says old
Johnny Dhu

116 *Take 'Em Away*

(Chorus) ^GTake 'em away, ^Ctake 'em away,
Lord

^GTake away these chains from me ^D

^GMy heart is broken 'cause my ^Cspirit's not
free

^GLord take away these ^Dchains from ^Gme

Some birds' feathers are too bright to be caged
I know I'm not that colorful but a bird just the
same

Open up your gate now, let me put down my load
So I can feel at ease and go back to my home

(Chorus)

Sun beatin' down, my legs can't seem to stand
There's a boss man at a turnrow with a rifle in
his hand

I've got nine children, nothin' in the pan
My wife she died hungry while I was plowin' land

(Chorus)

Can't see when I go to work, can't see when I get
off
How do you expect a man not to get lost
Every year I just keep getting deeper in debt
If there's a happy day, Lord, I haven't seen one yet

(Chorus)

Land that I love is the land that I'm workin'
But it's hard to love it all the time when your
back is a-hurtin'
Gettin' too old now to push this here plow
Please let me lay down so I can look at the clouds

(Chorus)

Land that I know is where two rivers collide
The Brazos the Navaho and the big blue sky
Flood plains, freight trains, watermelon vines
Of any place on God's green earth, this is where I
choose to die

117 *Big Rock Candy Mountains*

One evening as the sun went down
And the jungle fire was burning,
Down the track came a hobo hiking,
And he said, "Boys, I'm not turning
I'm headed for a land that's far away
Besides the crystal fountains
So come with me, we'll go and see
The Big Rock Candy Mountains

In the Big Rock Candy Mountains,
There's a land that's fair and bright,
Where the handouts grow on bushes
And you sleep out every night
Where the boxcars all are empty
And the sun shines every day
On the birds and the bees
And the cigarette trees
The lemonade springs
Where the bluebird sings
In the Big Rock Candy Mountains

In the Big Rock Candy Mountains
All the cops have wooden legs
And the bulldogs all have rubber teeth
And the hens lay soft-boiled eggs
The farmers' trees are full of fruit
And the barns are full of hay
Oh I'm bound to go
Where there ain't no snow
Where the rain don't fall
The wind don't blow
In the Big Rock Candy Mountains

In the Big Rock Candy Mountains
You never change your socks
And the little streams of alcohol
Come trickling down the rocks
The brakemen have to tip their hats
And the railroad bulls are blind
There's a lake of stew
And of whiskey, too
You can paddle all around 'em
In a big canoe
In the Big Rock Candy Mountains

In the Big Rock Candy Mountains,
The jails are made of tin
And you can walk right out again,
As soon as you are in
There ain't no short-handled shovels,
No axes, saws or picks,
I'ma goin' to stay
Where you sleep all day,
Where they hung the Turk
That invented work
In the Big Rock Candy Mountains

I'll see you all this coming Fall
In the Big Rock Candy Mountains

118 *Riding With Private Malone*

^G
I was just out of the service thumbin' through
the classifieds
^C
When an ad that said old Chevy somehow caught
my eye
^G
The lady didn't know the year or even if it ran
^C ^D ^G
But I had that thousand dollars in my hand
It was way back in the corner of this old
ramshackle barn
With thirty years of dust and dirt on that green
army tarp
When I pulled the cover off it took away my
breath
What she called a Chevy was a sixty-six Corvette
I felt a little guilty as I counted out the bills
What a thrill I got when I sat behind the wheel
I opened up the glove box and that's when I
found the note
The date was nineteen sixty-six and this is what
he wrote

^G ^D ^C ^D
My name is Private Andrew Malone
^G ^D ^C ^D
If you're reading this then I didn't make it home
^G ^D ^C
But for every dream that's shattered another one
^D
comes true
^C ^D
This car was once a dream of mine, now it
belongs to you
^G ^D ^C
And though you may take her and make her your
^D
own
^G ^D ^C ^D ^G
You'll always be riding with Private Malone

It didn't take me long at all I had her runnin'
good
I loved to hear those horses thunder underneath
her hood
I had her shinin' like a diamond and I'd put the
rag top down
All the pretty girls would stop and stare as I
drove her through town
The buttons on the radio didn't seem to work
quite right
But it picked up that oldies show especially late
at night
I'd get the feelin' sometimes if I turned real quick
I'd see
A soldier riding shotgun in the seat right next to
me

It was a young man named Private Andrew
Malone
Who fought for his country and never made it
home
But for every dream that's shattered there's
another that comes true
This car was once a dream of his, back when it
was new
And he told me to take her and make her my own
(Repeat intro.)
And I was proud to be riding with Private Malone

One night it was raining hard I took a curve too
fast
I still don't remember much about that fiery crash
Someone said they thought they saw a soldier
pull me out
They didn't get his name but I know without a
doubt

It was a young man named Private Andrew
Malone
Who fought for his country and never made it
home
But for every dream that shatters there's another
that comes true
This car was once a dream of his, back when it
was new
And I know I wouldn't be here if he hadn't
tagged along
(Repeat intro.)
Yeah that night I was riding with Private Malone
(Repeat intro.)
Oh thank God I was riding with Private Malone
Private Malone....

119 *HEALTH TO THE COMPANY*

Kind friends and companions, come join me in
rhyme
Come lift up your voices in chorus with mine
Come lift up your voices, all grief to refrain
For we may or might never all meet here again

(Chorus) So here's a health to the company
and one to my lass
Let's drink and be merry all out of one glass
Let's drink and be merry, all grief to refrain
For we may or might never all meet here
again

Here's a health to the wee lass that I love so well
For style and for beauty there's none can excel
There's a smile on her countenance as she sits
upon my knee
There is no man in this wide world as happy as me

(Chorus)

Our ship lies at anchor, she is ready to dock
I wish her safe landing without any shock
And if ever I should meet you by land or by sea
I will always remember your kindness to me

(Chorus)

120 *Sixteen Tons*

Am *G* *F* *E*
Some people say a man is made outta mud
Am *G* *F* *E*
A poor man's made outta muscle and blood
Am *G* *F* *E*
Muscle and blood and skin and bone
Am *E* *Am*
A mind that's weak and a back that's strong

(Chorus) You load sixteen tons what do you
get
Another day older and deeper in debt
St Peter don't call me cause I can't go
I owe my soul to the company store
I owe my soul I owe my soul to the company
store

Well I was born one mornin' when the sun didn't
shine
I picked up my shovel I walked to the mine
I loaded sixteen tons of Number 9 coal
The straw boss said well bless my soul

(Chorus)

Well I was born one morning it was drizzlin' rain
Fighting and trouble that's my middle name
I was raised in the woods by an old mama lion
Ain't no high toned woman make me walk the line

(Chorus)

If you see me comin' better step aside
A lotta men didn't a lotta men died
One fist of iron the other one steel
If the right one don't get you then the left one will

121 *Lord Franklin*

C
It was homeward bound one night on *Am* the deep
F
Swinging in my hammock I fell asleep *G*
C *F* *C*
I dreamed a dream and I thought it true
F *G* *C*
Concerning Franklin and his gallant crew

With one hundred seamen he sailed away
To the frozen ocean in the month of May
To seek a passage around the pole
Where we poor seamen do sometimes go

Through cruel hardships they mainly strove
Their ship on mountains of ice was drove
Only the Eskimo with his skin canoe
Was the only one that ever came through

In Baffin's Bay where the whale fish blow
The fate of Franklin no man may know
The fate of Franklin no tongue can tell
Lord Franklin along with his sailors do dwell

And now my burden it gives me pain
For my long lost Franklin I'd cross the main
Ten thousand pounds I would freely give
To say on earth that my Franklin do live

122 Johnny Jump Up

Em
I'll tell ye a story that happened to me
D
One day as I went out to Youghal by the Sea
Em *G* *D*
The sun it was bright and the day it was warm
Em *D* *Em* *D* *Em*
Says I, A quiet pint wouldn't do me no harm
I went to the barman, I says give me a stout
Says the barman, I'm sorry all the beer tis sold
out
Try whiskey or vodka, ten years in the wood
Says I, I'll try cider, I heard it was good

(Chorus) Oh never, oh never, oh never again
If I live to a hundred or a hundred and ten
I fell to the ground and I couldn't get up
After drinking a pint of the Johnny Jump
Up (Chorus)

Now I went up the Lee road a friend to see
They call it the Madhouse in Cork by the Lee
But when I got up there, the truth I do to tell
They had the poor bugger locked up in his cell
Says the guard testing him, say these words if you
can
'Around the rugged rocks the ragged rascal ran'
Tell them I'm not crazy, tell them I'm not mad
T'was only six pints of that cider I had
Now a man died in the Union by the name of
McNabb
They washed him and laid him outside on a slab
And after the coroner his measurements did take
His wife took him home to a bloody fine wake
'Twas about twelve o'clock and the beer it was
high

The corpse he sat up and he says with a sigh
I can't get to heaven, they won't let me up
Till I bring them a pint of the Johnny Jump Up

After lowering the third I headed strait for the
yard
Where I bumped into Brophy the big civic guard
He says come here to me boy don't you know I'm
the law
Well I upped with my fist and I shattered his jaw
He fell to the ground with his knees crumpled up
But it T'wasn't I hit him t'was the johnny jump
And the next thing I met down in Youghal by the
Sea
Was a cripple on crutches, and says he to me
I'm afraid o' me life I'll be hit by a car
Would you help me across to the Railwayman's
Bar
And after three pints of the cider so sweet
He threw down his crutches and he danced on his feet

(Chorus)

123 *Miss Ohio*

F *C*
Oh me oh my oh
G *Am G*
Look at Miss Ohio
F *C* *G*
She's a running around with her rag-top down
F *C* *G*
She says I wanna do right but not right now

Gonna drive to Atlanta
And live out this fantasy
Running around with the rag-top down
Yeah, I wanna do right but not right now

Had your arm around her shoulder, a regimental
soldier
An' mamma starts pushing that wedding gown
Yeah, you wanna do right but not right now

Oh me oh my oh, would you look at Miss Ohio
She's a runnin' around with the rag-top down
She says I wanna do right but not right now

I know all about it, so you don't have to shout it
I'm gonna straighten it out somehow
Yeah, I wanna do right but not right now

Oh me oh my oh, look at Miss Ohio
She a runnin' around with her rag-top down
She says I wanna do right, but not right now
Oh, I want do right but not right now

124 *My Comrade*

Fighting bravely in the battle
Gallop on and on,
Riding in the ranks of horsemen
Thou wert my dearest comrade
Thou the one I loved the most, (x2)

An arrogant Cavalier
The strongest of his corps
Lunged at me in thirst of blood
But thy faithful love showed no fear
And thy heart the lance did find (x2)

I've avenged this mortal wound
That thou received in my stead
Deep and deep into the dark of night
I have wept for thee my comrade
Kneeling by thy holy grave, (x2)

In my sadness, how I wander
Without meaning I must ride
From this o so deadly ambush
I have lost my dearest comrade
I will never laugh again, (x2)

O prince pray thee, hear my ballade
Listen to my pleading call
I pray God who loves the soldier
To quickly place him, my comrade,
At the right of Christ the Lord, (x2)

125 *Down the Road*

D Sun is rising *Bm G* high-, burning into the *D* day,
Bm G I will say goodbye, I'll be going away, *D*
Brush away my doubts, what tomorrow will
G D hold,
Bm G Feeling fine for now-, going down the *Bm* road

To a city to sing, about the trees and the wind,
'Bout the hills in spring, and the rivers that bend,
The rocky deep pass, and the poppies and ponies,
Running through the grass, up and down the road

| (Chorus) du du du du...

In the dark they sit and they hollar for more,
White smoke in a wisp, from here to the door,
Their admission they paid, for the stories they're
told,
Of a clear new day, hold me down on the road

(Chorus)

So heavy rain at my back, lazy meadows ahead,
In my book I keep track, of the promises said.
For my songs in a town, that tomorrow will hold
Feelin' better for now, facin' down the road.

(Chorus)

D Sun is rising *Bm G* high-, burning into the *D* day,
Bm G I will say goodbye, I'll be going away, *D*
Brush away my doubts, what tomorrow will
G D hold,
Bm G Feeling fine for now-, going down the *Bm* road-

(Chorus)

126 *Nancy Spain*

Of all the stars that ever shone
Not one does twinkle like your pale blue eyes
Like golden corn at harvest time your hair
Sailing in my boat the wind
Gently blows and fills my sail
Your sweet-scented breath is everywhere

Daylight peeping through the curtain
Of the passing night time is your smile
And the sun in the sky is like your laugh
Come back to me my Nancy
Linger for just a little while
Since you left these shores I've known no peace nor joy

(Chorus)

No matter where I wander I'm still haunted by
your name
The portrait of your beauty stays the same
Standing by the ocean wondering where you've
gone
If you'll return again
Where is the ring I gave to Nancy Spain

On the day in Spring when snows start to melt
And streams to flow
With the birds I'll sing this song
Then in the while I'll wander
Down by bluebell stream where wild flowers grow
And I'll hope that lovely Nancy will return

(Chorus)

127 Folsom Prison Blues

^G
I hear the train a comin'
It's rollin' 'round the bend
And I ain't seen the sunshine ^{G7}
Since, I don't know when
^C
I'm stuck in Folsom Prison
And time keeps draggin' on ^G
^{D7}
But that train keeps a-rollin'
^G
On down to San Antone

When I was just a baby
My Mama told me, "son
Always be a good boy
Don't ever play with guns"
But I shot a man in Reno
Just to watch him die
When I hear that whistle blowin'
I hang my head and cry

I bet there's rich folks eatin'
In a fancy dinin' car
They're probably drinkin' coffee
And smokin' big cigars
Well, I know I had it comin'
I know I can't be free
But those people keep a-movin'
And that's what tortures me

Well, if they freed me from this prison
If that railroad train was mine
I bet I'd move it on a little
Farther down the line
Far from Folsom Prison
That's where I want to stay
And I'd let that lonesome whistle
Blow my blues away

128 The Ring of Fire

^G ^C ^G
Love is a burning thing
^D ^G
And it makes a fiery ring
Bound by wild desire
I fell in to a ring of fire

(Chorus) ^D I fell into a ^G burning ring of fire
^D
I went down, down, down
^G
And the flames went higher
And it burns, burns, burns
^C ^G
The ring of fire
^D ^G
The ring of fire

The taste of love is sweet
When hearts like ours meet
I fell for you like a child
Oh, but the fire went wild
(Chorus 2x)

129 *Castle of Dromore*

^G The ^C October winds lament
^G around the ^C castle of ^{Em} ^G Dromore
^C Yet peace is in ^{Em} her ^{Am} ^G lofty halls
^C My ^D loving ^G treasure store

130 *Loch Tay Boat Song*

^G When I've done my work of day, ^{Bm}
^C ^D ^G
And I row my boat away,
^C ^G ^{Em}
Doon the waters of Loch Tay,
^G ^D ^C ^G
As the evening light is fading
And I look upon Ben Lawers
Where the after glory glows;
And I think on two bright eyes
And the melting hours below.

^G ^C ^G
She's my beauteous nighean ruadh,
^G ^C ^G
She's my joy and sorrow too;
^C ^G ^{Em}
And although she is untrue,
^G ^D ^C ^G
Well I cannot live without her,
For my heart's a boat in tow,
And I'd give the world to know
Why she means to let me go,
As I sing horee horo.

Nighean ruadh, your lovely hair
Has more glamour I declare
Than all the tresses rare
'tween Killin and Aberfeldy.
Be they lint white, brown or gold,
Be they blacker than the sloe,
They are worth no more to me
Than the melting flake of snow.
Her eyes are like the gleam
O' the sunlight on the stream;
And the songs the fairies sing
Seem like songs she sings at milking.
But my heart is full of woe,
For last night she bade me go
And the tears begin to flow,
As I sing horee, horo.

131 *Sink the Bismarck*

D In May of nineteen forty-one the *A* war had just
begun *D*
G The Germans had the biggest ship, they *D* had the
biggest guns
The Bismarck was the fastest ship that ever
sailed the sea
On her deck were guns as big as steers and shells *A*
as big as trees

Out of the cold and foggy night came the British
ship, the Hood
And every British seaman, he knew and
understood
They had to sink the Bismarck, the terror of the
sea
Stop those guns as big as steers and those shells
as big as trees

(Chorus) *D* We'll find the German battleship
A that's makin' such a *D* fuss
D We gotta sink the Bismarck cause the *A* world
depends on us *D*
G Hit the decks a-runnin' boys and *D* spin those
guns around
When we find the Bismarck we *A* gotta cut
D her down

The Hood found the Bismarck on that fatal day
The Bismarck started firin' fifteen miles away
"We gotta sink the Bismarck" was the battle
sound
But when the smoke had cleared away, the
mighty Hood went down

For six long days and weary nights they tried to
find her trail
Churchill told the people "put every ship a-sail
'Cause somewhere on that ocean I know she's
gotta be
We gotta sink the Bismarck to the bottom of the sea"

(Chorus)

The fog was gone the seventh day and they saw
the mornin' sun
Ten hours away from homeland the Bismarck
made its run
The admiral of the British fleet said "turn those
bows around
We found that German battleship and we're
gonna cut her down"

The British guns were aimed and the shells were
comin' fast
The first shell hit the Bismarck, they knew she
couldn't last
That mighty German battleship is just a memory
"Sink the Bismarck" was the battle cry that
shook the seven seas

We found that German battleship been makin'
such a fuss
We had to sink the Bismarck 'cause the world
depends on us
We hit the deck a-runnin' and we spun those
guns around
We found the mighty Bismarck and then we cut
her down

132 Jock Stewart

^CNow, my name is ^GJock Stewart
^{Am}I'm a canny ^Fgaun man,
^CAnd a roving young fellow, I've ^Cbeen.

(Chorus) So be easy and free
When you're drinkin wi' me.
I'm a man you don't meet every day.

I have acres of land;
I have men at command;
I have always a shilling to spare.

(Chorus)

Now, I took out my gun,
With my dog I did shoot,
All down by the River Kildare

(Chorus)

I'm a piper by trade
And a roving young blade
And many a tune I do play

(Chorus)

Let us catch well the hours
And the minutes that fly
And we'll share them together this day

(Chorus)

So, come fill up your glasses
Of brandy and wine,
And whatever the cost, I will pay.

133 Hills of Connemara

(Chorus) ^GOh gather up your pots and your
^Cold tin cans
The mash, and the corn, the ^Dbarley, and the
bran
^GRun like the devil from the ^Cexcise man
Keep the ^Gsmoke from rising, ^DBarney ^G

Now keep your eyes well peeled today
The excise men they're on their way
Searching for the mountain tay
In the hills of Connemara

(Chorus)

Well the mountain breezes as they blow
Echo down to the hills below
Big tall men are on the go
In the hills of connemara

(Chorus)

Well swing to the left, now swing to the right
The excise man they can dance all night
Drinkin 'up the tay 'til the broad daylight
In the hills of Connemara

(Chorus)

Well a gallon for the butcher and big Mick Klein
A bottle for the poor old Father Stein
Keep him off that altar wine
In the hills of Connemara

(Chorus)

Stand your ground, for it's too late
The excise men, they're at the gate
Glory be to paddy, for they're drinking it straight
In the hills of Connemara

(Chorus)

135 *Sweet Baby James*

D *A* *G* *F#m*
There is a young cowboy, he lives on the range
Bm *G* *D* *F#m*
His horse and his cattle are his only companions
Bm *G* *D* *F#m*
He works in the saddle and sleeps in the canyons
G *D* *A* *Em* *A*
Waiting for summer, his pastures to change
G *A* *D*
And as the moon rises he sits by his fire
Bm *G* *D* *A*
Thinking about women and glasses of beer
G *A* *D*
And closing his eyes as the dogies retire
Bm *G* *D*
He sings out a song which is soft but it's clear
Esus7 *Em* *Asus7* *A*
As if maybe someone could hear -

D *G* *A* *D*
Goodnight you moonlight ladies
Bm *G* *D*
Rockabye sweet baby James
Bm *G* *D*
Deep greens and blues are the colors I choose
Esus7 *E* *Asus7* *A*
Won't you let me go down in my dreams
G *A* *D*
And rockabye sweet baby James

Now the first of December was covered with snow
So was the turnpike from Stockbridge to Boston
Though the Berkshires seemed dream-like on
account of that frosting
With ten miles behind me and ten thousand more
to go
There's a song that they sing when they take to
the highway,
A song that they sing when they take to the sea,
A song that they sing of their home in that sky.
Maybe you can believe it if it helps you to sleep,
But singing works just fine for me.

136 *Foxfire*

When I was young and free
and not so very brave
my friends and I had a place
that we called "Devils cave"

We'd meet out there after dark
tell tales by candle light
and event that marked all of our lives
happened there one night

The evening it was bitter cold
and the stars were shining hard
the wind cut through the leafless trees
as a razor through a cord

The feeble glow from the candle flame
Brought us no warmth at all
soon a fire was raging in its place
shadows on the cavern wall

That night the legend offered
was a hard one to believe
but with a chilling wind and warming glow
a spell began to weave

A tale of a native nation
and a culture that's long past
and a people caught up in a flux
in a land that was so vast

A dream about dark rumors
over murder that was done
against the whites off to the east
at the setting of the sun

A dream of a council that was called
and punishment proclaimed
'twas banishment for the one accused
to sooth all those inflamed

Now it was later in that year
in the season of the change
when the rut of stag and the russet tones
spread throughout the range

A ghostly figure hovered
in the valley growing bright
'tis the evil the shaman said
who haunts us here at night

So a council was convened
and a party then dispatched
they were to find the ghostly fiend
its path they were to match

It lead unto a barren cave
where the river ran so wide
the pursuers built a fire so high
the smoke was drawn inside

Not long after flames were
licking at the cavern floor
then the evil one now all ablaze
came screaming through the door

Out to the river's edge
where the river ran so cold
it plunged into the blackened waves
its soul they did enfold

It was found the banished one
had played the ghostly fiend
it was the foxfire made him glow
even as the river gleamed

So it was called the "Devils Cave"
that he ran from the night
and it was called the "Devils Cave"
where we held our vigil rite

Now as the evil one
came screaming through the cavern door
I awoke and found my friends asleep
a-lyin' on the floor

The fire, it had spent itself
smoke filled the dark and damp
the cavern closed in all around
our breath caught in a clamp

And as the moment for our deaths
upon us did appear
a flaming figure split the dark
the "evil one" drew near"

But we all followed close behind
that specter through the door
and out into the evening chill
to breath the air once more

I am told the story's true
there lived an Indian
who rubbed the foxfire on himself
and met a burning end

Perhaps it was his spirit
that appeared to us the night
perhaps to set the record straight
he used the foxfire light

137 *Three Jolly Coachmen*

One, two, and three jolly coachmen sat at an
English tavern.
Three jolly coachmen sat at an English tavern,
And they decided, and they decided, and they
decided to have another flagon.
Landlord, fill the flowing bowl until it doth run
over.
Landlord, fill the flowing bowl until it doth run
over.

For tonight we merr—I be,
For tonight we merr—I be,
For tonight we merr—I be,
Tomorrow we'll be sober. (What!)]

Here's to the man who drinks dark ale and goes
to bed quite mellow!
Here's to the man who drinks dark ale and goes
to bed quite mellow!
He lives as he ought to live
He lives as he ought to live
He lives as he ought to live
He'll die a jolly good fellow! (Ha! Ha! Ha!)

Here's to the man who drinks water pure and
goes to bed quite sober.
Here's to the man who drinks water pure and
goes to bed quite sober.
He falls as the leaves do fall,
He falls as the leaves do fall,
He falls as the leaves do fall,
He'll die before October! (Ho! Ho! Ho!)

Here's to the maid who steals a kiss and runs to
tell her mother.
Here's to the maid who steals a kiss and runs to
tell her mother.
She's a foolish, foolish thing.
She's a foolish, foolish thing.
She's a foolish, foolish thing.
For she'll not get another. (Pity!)

Here's to the maid who steals a kiss and stays to
steal another.
Here's to the maid who steals a kiss and stays to
steal another.
She's a boon to all man kind.
She's a boon to all man kind.
She's a boon to all man kind.
For soon she'll be a mother!

138 *Lily the Pink*

Now here's a story, a little bit gory
A little bit happy, a little bit sad
She invented medicinal compound
Tis efficacious in every way.

**(Chorus) We'll drink a'Drink a'Drink
To Lily the Pink the Pink the Pink
The savior of (THE SAVIOR OF!) the
human race.
She invented medicinal compound.
Tis efficacious in every way**

Now uncle paul, he was terribly small
He was the smallest man around
Then they gave him medicinal compound
Now he's six feet under ground

(Chorus)

Now Charlie hammer had a terrible stammer
He could hardly say a word
Then they gave him medicinal compound
Now he's seen but never heard

(Chorus)

Well Ebenezer, thought he was Julius Caesar
So they put him in a home
There they gave him medicinal compound
Now he's emperor of rome

(Chorus)

Now Freddie Clinger was an opera singer
He broke glasses with his voice 'tis said
But they gave him medicinal compound
Now they break glasses on his head

(Chorus)

A loving couple had a terrible trouble
They just could not procreate
Then they gave them medicinal compound
Instead of one kid they had eight

(Chorus)

(the sound of much wailing)
Now here's the sad part... I can hardly bear to
sing it...

Lydia died and went up to heaven
All the Church bells the did ring, (ding dong)
But she brought with her medicinal compound
Hark the herald angels sing!!

(Chorus)

139 *Rambles of Spring*

^CThere's a piercing wintry breeze
^FBlowing through the budding trees
^CAnd I button up my coat to keep me warm ^G
^CBut the days are on the mend
^FAnd I'm on the road again
^CWith my fiddle snuggled close beneath my arm ^G ^C

(Chorus) I've a fine, felt hat
And a strong pair of brogues
I have rosin in my pocket for my bow
O my fiddle strings are new
And I've learned a tune or two
So, I'm well prepared to ramble and must go

I'm as happy as a king
When I catch a breath of spring
And the grass is turning green as winter ends
And the geese are on the wing
And the thrushes start to sing
And I'm headed down the road to see my friends

(Chorus)

I have friends in every town
As I wander up and down
Making music at the markets and the fairs
Through the donkeys and the creels
And the farmers making deals
And the yellow headed tinkers selling wares

(Chorus)

Here's a health to one and all
To the big and to the small
To the rich and poor alike and foe and friends
And when I return again
May our foes have turned to friends
And may peace and joy be with you until then

(Chorus)

140 *Ha'nacker Mill*
Hillaire Belloc

Sally is gone that was so kindly,
Sally is gone from Ha'nacker Hill
And the Briar grows ever since then so blindly;
And ever since then the clapper is still...
And the sweeps have fallen from Ha'nacker Mill.

Ha'nacker Hill is in Desolation:
Ruin a-top and a field unploughed.
And Spirits that call on a fallen nation,
Spirits that loved her calling aloud,
Spirits abroad in a windy cloud.

Spirits that call and no one answers —
Ha'nacker's down and England's done.
Wind and Thistle for pipe and dancers,
And never a ploughman under the Sun:
Never a ploughman. Never a one.

141 *Kilkelly, Ireland*

Em *G* *D*
Kilkelly, Ireland, 18 and 60, my dear and loving
son John
Em
Your good friend the schoolmaster *G* Pat
McNamara's so good *D*
Em
As to write these words down. *G* *D*
Your brothers have all gone to find work in
England,
C *D* *B*
The house is so empty and sad
Em *G*
The crop of potatoes is sorely infected,
D *Em*
A third to a half of them bad.
G *D*
And your sister Brigid and Patrick O'Donnell
C *D*
Are going to be married in June.
Em *G*
Your mother says not to work on the railroad
D *Em*
And be sure to come on home soon.

Kilkelly, Ireland, 18 and 70, my dear and loving
son John
Hello to your Mrs and to your 4 children,
May they grow healthy and strong.
Michael has got in a wee bit of trouble,
I suppose that he never will learn.
Because of the dampness there's no turf to speak
of
And now we have nothing to burn.
And Brigid is happy, you named a child for her
And now she's got six of her own.
You say you found work, but you don't say
What kind or when you will be coming home.

Kilkelly, Ireland, 18 and 80, dear Michael and
John, my sons
I'm sorry to give you the very sad news
That your dear old mother has gone.
We buried her down at the church in Kilkelly,
Your brothers and Brigid were there.
You don't have to worry, she died very quickly,
Remember her in your prayers.
And it's so good to hear that Michael's returning,
With money he's sure to buy land
For the crop has been poor and the people
Are selling at any price that they can.

Kilkelly, Ireland, 18 and 90, my dear and loving
son John
I suppose that I must be close on to eighty,
It's thirty years since you're gone.
Because of all of the money you send me,
I'm still living out on my own.
Michael has built himself a fine house
And Brigid's daughters have grown.
Thank you for sending your family picture,
They're lovely young women and men.
You say that you might even come for a visit,
What joy to see you again.

Kilkelly, Ireland, 18 and 92, my dear brother John
I'm sorry that I didn't write sooner to tell you
that father passed on.
He was living with Brigid, she says he was
cheerful
And healthy right down to the end.
Ah, you should have seen him play with
The grandchildren of Pat McNamara, your friend.
And we buried him alongside of mother,
Down at the Kilkelly churchyard.
He was a strong and a feisty old man,
Considering his life was so hard.
And it's funny the way he kept talking about you,
He called for you in the end.
Oh, why don't you think about coming to visit,
We'd all love to see you again.

142 *The Battle Hymn Of The Republic*

Mine eyes have seen the glory
Of the coming of the Lord
He is trampling out the vintage
Where the grapes of wrath are stored
He has loosed the fateful lightening
Of His terrible swift sword
His truth is marching on
(Chorus) Glory, glory, hallelujah
Glory, glory, hallelujah
Glory, glory, hallelujah
His truth is marching on

I have seen him in the watch-fires
Of a hundred circling camps
They have builded him an altar
In the evening dew and damps
I have read his righteous sentence
By the dim and flaring lamps
His day is marching on

(Chorus)

I have read a fiery gospel
Writ in burnish'd rows of steel
As ye deal with my contemptors
So with you my grace shall deal
Let the hero, born of woman
Crush the serpent with his heel
Since my God is marching on

(Chorus)

He has sounded forth the trumpet
That shall never call retreat
He is sifting out the hearts of men
Before His judgment-seat
Oh, be swift, my soul
To answer him be jubilant, my feet
Our God is marching on

(Chorus)

143 *Courtin in the Kitchen*

(Chorus)

D
Come single belle and beau, unto me pay
A
attention

D
Don't ever fall in love, it's the *G* devil's own
A
invention

D
Once I fell in love with a maiden so bewitchin'
G Miss Henrietta Bell out of *Em* Captain Kelly's
A Kitchen⁷

(Chorus) With my *D* tooral-ooral-I, and my
G tooral-ooral-addy
D With my tooral-ooral-I, and my
G *A* *D* tooral-ooral-addy

With her arms around my waist, she slyly hinted
marriage
To the door in dreadful haste, came Captain
Kelly's carriage
Her eyes soon filled with hate and poison she was
spittin'

When the captain at the door, walked right into the
kitchen

(Chorus)

She flew up off me knees full five feet up or higher
And over head and heels through me slap into the
fire

Me new repealer's coat that I bought from Mr.
Mitchell

With a twenty shilling note went to blazes in the
kitchen...

(Chorus)

At the age of seventeen, I was 'prenticed to a
grocer
Not far from Stephen's Green, where Miss Henry
used to go sir
Her manners were sublime and she set my heart
a-twitchin'

And she invited me to a hooley in the kitchen

I grieved to see me duds all smeared with soot
and ashes

When a tub of dirty suds right in me face she
dashes

As I lay on the floor the water she kept pitchin'
The footman broke the door and walked straight into
the kitchen

(Chorus)

(Chorus)

Next Sunday being the day, we were to have the
"flare-up"
I dressed myself quite gay and I frizzed and oiled
my hair up
The captain had no wife, faith he had gone out
fishin'

And we kicked up high life down below stairs in the
kitchen

When the captain came downstairs, though he
saw my situation

In spite of all my prayers, I was marched off to
the station

For me they'd take no bail, but to get home I was
itchin'

And I had to tell the tale how I came into the kitchen

(Chorus)

(Chorus)

Just as the clock struck six we sat down to the
table
She handed tay and cake and I ate while I was
able
I drank hot punch and tay till me side had got to
stitchin'

And the hours passed quick away when you're courtin in
the kitchen

I said she did invite me, but she gave a flat denial
For assault, she did indict me and I was sent for
trial

She swore I robbed the house in spite of all her
screechin'

And I got six months "hard" for my courtin in the
kitchen

(Chorus)

144 *Will the Circle Be Unbroken*

G
I was standing by the window
On one cold and cloudy day
When I saw the hearse come rolling
For to carry my mother away

(Chorus) Will the circle be unbroken
By and by Lord, by and by
There's a better home awaiting
In the sky Lord, in the sky

I said to the undertaker
Undertaker please drive slow
For this lady you are carrying
Lord I hate to see her go

(Chorus)

Oh, I followed close behind her
Tried to hold up and be brave
But I could not hide my sorrow
When they laid her in the grave

(Chorus)

I went back home, the home was lonesome
Since my mother, she was gone
All my brothers and sisters crying
What a home so sad and alone

(Chorus)

We sang songs of childhood
Hymns of faith that made us strong
Ones that mother maybelle taught us
Hear the angels sing along

(Chorus)

145 *Charlie Mops*

A long time ago, way back in history,
When all they had to drink was nothing but cups
of tea,
Along came a man by the name of Charlie
Mopps,
And he invented a wonderful drink and he made
it out of hops

(Chorus)
He might have been an Admiral,
a Sultan or a King
And to his praises we shall always sing.
Look what he has done for us: he's filled us
with cheer.
God bless Charlie Mopps, the man who
invented beer beer beer tiddily beer
beer beer

A barrel of malt a bucket of hops
and add some yeast
put it all together and let it ferment and swell
When it's brewed and ready at 11 o'clock we'll
stop
for 5 short seconds we'll remember Charlie Mopps

(Chorus)

(Put your local pubs here)
At Carnsies and the Flat Iron
and Pickle Bill's as well
One thing I can be sure of
It's Charlie's beer they sell
Some come along you lucky lads
at 11 o'clock we'll stop
for 5 short seconds we'll remember Charlie Mopps
(1..2..3..4..5)

147 *The Green Fields Of France*

^D Oh how do you ^{Bm} do, young ^G Willy Mc—^A Bride
 Do you mind if I sit here down by your

 And rest for a while in the warm summer sun ^A
 I've been walking all day, and I'm nearly done
 And I see by your gravestone you were only ^G
 ^{Em} nine—teen
 When you joined the great fallen in 19—16
 Well I hope you died ^{Bm} quick
 And I hope you died ^{Em} clean
 Or Willy McBride, was is it slow and obscene

(Chorus) ^A Did they beat the drums slowly
 Did they ^G play the fife ^D lowly
 Did they ^A sound the death march as they
 ^G lowered you down ^A
 Did the ^G band play the last post and ^D chorus
 Did the ^{Bm} pipes play the flowers of the ^G
 ^A ^D for—est

And did you leave a wife or a sweetheart behind
 In some loyal heart is your memory enshrined
 And though you died back in 1916
 To that loyal heart you're forever nineteen
 Or are you a stranger without even a name
 Forever enshrined behind some old glass pane
 In an old photograph torn, tattered, and stained
 And faded to yellow in a brown leather frame

(Chorus)

The sun shining down on these green fields of
 France
 The warm wind blows gently and the red poppies
 dance
 The trenches have vanished long under the plow
 No gas, no barbed wire, no guns firing now
 But here in this graveyard that's still no mans
 land
 The countless white crosses in mute witness stand
 To man's blind indifference to his fellow man
 And a whole generation were butchered and damned

(Chorus)

And I can't help but wonder oh Willy McBride
 Do all those who lie here know why they died
 Did you really believe them when they told you
 the cause
 Did you really believe that this war would end
 wars
 Well the suffering, the sorrow, the glory, the
 shame
 The killing and dying it was all done in vain
 Oh Willy McBride it all happened again
 And again, and again, and again, and again

(Chorus)

148 *Isn't It Grand Boys*

Look at the coffin, with golden handles
Isn't it grand, boys, to be bloody-well dead?

(Chorus) Let's not have a sniffle,
let's have a bloody-good cry
And always remember: The longer you live
The sooner you'll bloody-well die

Look at the flowers, all bloody withered
Isn't it grand, boys, to be bloody-well dead?

(Chorus)

Look at the mourners, bloody-great hypocrites
Isn't it grand, boys, to be bloody-well dead?

(Chorus)

Look at the preacher, a bloody-nice fellow
Isn't it grand, boys, to be bloody-well dead?

(Chorus)

Look at the widow, bloody-great female
Isn't it grand, boys, to be bloody-well dead?

(Chorus)

It was down by the Sally gar—dens
C *D* *G*
My love and I did meet
G *D* *C* *G*
She crossed the Sally gar—dens
C *D* *G*
With little snow-white feet

(Chorus) *G* *C* *D*
She bid me to take life easy
Em *C* *D* *G*
As the leaves grow on the tree
Em *D* *C* *G*
But I was young and fool—ish
C *D* *G*
And with her did not agree

In a field down by the river
My love and I did stand
And upon my leaning shoulder
She laid her snow-white hand

She bid me take life easy
As the grass grows on the weirs
But I was young and foolish
And now I am full of tears

(Repeat 1st verse and refrain)

Saddled and bridled, sae bonnie rode he
Hame cam' his guid horse, but never came he.

151 *Oh My Darling Clementine*

(Chorus) Oh my darling, oh my darling
Oh my darling, Clementine
You are lost and gone forever
Dreadful sorry, Clementine

In a cavern, in a canyon
Excavating for a mine
Dwelt a miner, forty-niner
And his daughter, Clementine

(Chorus)
Light she was and like a fairy
And her shoes were number nine
Herring boxes, without topses
Sandals were for Clementine

Drove she ducklings to the water
Ev'ry morning just at nine
Hit her foot against a splinter
Fell into the foaming brine

(Chorus)

Ruby lips above the water
Blowing bubbles, soft and fine
But, alas, I was no swimmer
So I lost my Clementine

(Chorus)

How I missed her! How I missed her
How I missed my Clementine
But I kissed her little sister
I forgot my Clementine

(Chorus)

152 *My Grandfather's Clock*

My grandfather's clock was too large for the shelf
So it stood ninety years on the floor
It was taller by half than the old man himself
Though it weighed not a pennyweight more
It was bought on the morn of the day that he was
born
And was always his treasure and pride
But it stopped, short never to go again
When the old man died

My grandfather said that of those he could hire
Not a servant so faithful he found
For it wasted no time and had but one desire
At the close of each week to be wound
And it kept in its place, not a frown upon its face
And its hands never hung by its side
But it stopped short, never to go again
When the old man died

It rang and alarmed in the dead of the night
An alarm that for years had been dumb
And we knew that his spirit was pluming for flight
That his hour for departure had come
Still the clock kept the time with a soft and
muffled chime
As we silently stood by his side
But it stopped short, never to go again
When the old man died

Ninety years without slumbering
His life seconds numbering
It stopped short, never to go again
When the old man died

153 *Paradise*

^DWhen I was a child my ^Gfamily would travel
^DDown to ^AWestern Kentucky where my parents
^Dwere born
And there's a backwards old town that's often
remembered
So many times that my memories are worn.

(Chorus)

And daddy won't you take me back to
Muhlenberg County
Down by the Green River where Paradise lay
Well, I'm sorry my son, but you're too late in
asking
Mister Peabody's coal train has hauled it away

Well, sometimes we'd travel right down the Green
River
To the abandoned old prison down by Airdrie Hill
Where the air smelled like snakes and we'd shoot
with our pistols
But empty pop bottles was all we would kill.

(Chorus)

Then the coal company came with the world's
largest shovel
And they tortured the timber and stripped all the
land
Well, they dug for their coal till the land was
forsaken
Then they wrote it all down as the progress of man.

(Chorus)

When I die let my ashes float down the Green
River
Let my soul roll on up to the Rochester dam
I'll be halfway to Heaven with Paradise waitin'
Just five miles away from wherever I am.

(Chorus)

154 *White Freightliner Blues*

I'm goin' out on the highway
Listen to them big trucks whine
I'm goin' out on the highway
Listen to them big trucks whine

White freight liner
Won't you steal away my mind?
Ah, New Mexico ain't bad, Lord
And the people there, they treat you kind
And the people there, they treat you kind

Well, it's bad news from Houston
Half my friends are dying
Well, it's bad news from Houston
Half my friends are dying

Ah, Lord, I'm gonna ramble
'Til I get back to where I came
Ah, Lord, I'm gonna ramble
'Til I get back to where I came

I'm goin' out on the highway
Listen to them big trucks whine
I'm goin' out on the highway
Listen to them big trucks whine

155 *Dooley*

^G Dooley was a ^C good old man
^G He lived below the ^D mill
^G Dooley had two daughters and a ^C forty gallon still ^G ^D ^G
One gal watched the boiler the other watched the
spout
Mama corked the bottles when old Dooley
fetched them out

(Chorus) ^G Dooley, slipping up the holler
^C Dooley, trying to make a dollar
^G Dooley, give me a swaller and I'll ^D pay you
back some day

The revenueurs came for him a slipping through
the woods
Dooley kept behind them all and never lost his
goods
Dooley was a trader when into town he'd come
Sugar by the bushel and molasses by the ton

(Chorus)

I remember very well the day old Dooley died
The women folk looked sorry and the men stood
'round and cried
Now Dooley's on the mountain he lies there all
alone
They put a jug beside him and a barrel for a stone

(Chorus)

156 *Haul Away Joe*

O when I was a little lad
Or so my mother told me,
Way, haul away, we'll haul away, Joe!
That if I did not kiss the gals
Me lips would all grow moldy.
Way, haul away, we'll haul away, Joe!

(Chorus) Sing it!

**Way, haul away, we'll haul for better
weather,
Way, haul away, we'll haul away, Joe!**

King Louis was the king of France
Before the revolut-i-on
Way, haul away, we'll haul away, Joe!
But then he got his head cut off
Which spoiled his constitut-i-on
Way, haul away, we'll haul away, Joe!

(Chorus)

First I met a yankee girl,
But she was fat and lazy
Way, haul away, we'll haul away, Joe!
Then I met an Irish girl
She darn near drives me crazy!
Way, haul away, we'll haul away, Joe!

(Chorus)

Saint Patrick was a gentleman
He came from decent people,
Way, haul away, we'll haul away, Joe!
He built a church in Dublin Town
And on it put a steeple,
Way, haul away, we'll haul away, Joe!

(Chorus)

157 *The Riddle Song*

C *F* *C*
I gave my love a cherry that had no stone
G *C* *G*
Gave my love a chicken that had no bone
G *C* *G*
I gave my love a baby with no crying
Am *F* *C*
And told my love a story that had no end

How can there be a cherry that has no stone?
How can there be a chicken that has no bone?
How can there be a baby with no crying?
How can you tell a story that has no end?

A cherry when it's blooming, it has no stone
And a chicken when it's pipping, there is no bone
A baby when it's sleeping, there's no crying
And when I say "I love you", it has no end

I gave my love a cherry that had no stone
I gave my love a chicken that had no bone
I gave my love a baby with no crying
And told my love a story that had no end

158 Sally Rose

The (D) prettiest girl out west,

^G
The one I loved the best,
^A
I have to say is the sweet Sally Rose.
^D
With her long brown hair, and grace beyond
compare
Why I love her only God knows.

^G ^D
Sally Rose, Sally Rose
^A
Why do I love you, do you suppose?
^D
Is it the way you sing with me,
^G
or the smile I receive
^A ^D
every time a joke comes or goes?

Well is her beauty true, or is her innocence too?
Indeed it's to the like I had never seen.
But she shall be respected, I'll give more than's
expected,
And treat her as my very own queen.

(Chorus)

Sally Rose had to go miles and miles away.
Oh how I wish that she could have stayed.
But she's across the open sea, far away from me.
Still I hope that she will hear me say:

(Chorus)

And the prettiest girl out west,
The one I loved the best,
I'll have to say is that sweet Sally Rose

The shakes with every breath

^D
Forgive me all my faults
There's no need to forgive me

For thinkin' what I thought
I loved you from the get go
^D
And I'll love you till I die
^A
I loved you on the Spanish Steps
^G
The day you said goodbye

I am just a poor boy, mmm
Work's my middle name
If money was a reason
Well, I would not be the same
I'll stand up and be counted, mmm
I'll face up to the truth
I'll walk away from trouble
But I can't walk away from you

(Chorus)

I have been to Fort Worth, mmm
And I have been to Spain
And I have been too proud
To come in out of the rain
And I have seen the David, mmm
I've seen the Mona Lisa too
And I have heard Doc Watson
Play Columbus Stockade Blues

(Chorus)

Well, I wished I was in Austin, mmm
In the Chili Parlor Bar
Drinkin' Mad Dog Margaritas
And not carin' where you are

160 *A Man's A Man For A' That*

Is there for honest poverty
That hings his heed and a' that
The coward slave we pass him by
We dare be poor for a' that
For a' that and a' that
Our toils obscure and a' that
The rank is but the guinea's stamp
The mands the gowd for a' that

What tho' on hamely fare we dine
Wear hoddin-gray and a' that
Gie fools their silks and knaves their wine
A mands a man for a' that
For a' that and a' that

Ye see yon birkie ca'd a lord
Wha struts and stares and a' that
Tho' hundreds worship at his word
He's but a coof for a' that
For a' that and a' that
His riband, star and a' that
The man o' independent mind
He looks and laughs at a' that

A prince can mak a belted knight
A marquis, duke and a' that
But an honest mands aboon his might
Guid faith he mauna fa' that
For a' that and a' that
Their dignities and a' that
The pith o' sense and pride o' worth
Are higher rank than a' that

Then let us pray that come it may
As come it will and a' that
That sense and worth o'er a' the earth
Shall bear the gree and a' that
For a' that and a' that

That man to man the warld o'er
Shall brothers be for a' that

161 *WHISKEY YOU'RE THE DEVIL*

(Chorus) Oh, whisky you're the devil,
You're leading me astray
Over hills and mountains And to Amerikay
You're sweeter, stronger decenter
you're spunkier than tea
Oh whisky you're my darling drunk or sober

Now brave boys, we're on the march
Off to Portugal and Spain
Drums are beating, banners flying
The Devil at home will come tonight
Love, fare thee well
With me tithery-right-an-doodle O ma da!
me tithery-right-an-doodle O ma da
Me rikes fall too ra laddie-o
There's whisky in the jar

(Chorus)

Don't take me daughter from me
For if you do I will torment you
And when I'm dead my ghost will haunt you

me tithery-right-an-doodle O ma da
Me rikes fall too ra laddie-o

Me rikes fall too ra laddie-o
There's whisky in the jar

162 *The Minstrel Boy*

The minstrel boy to the war is gone,
In the ranks of death you'll find him
His father's sword he hath girded on,
And his wild harp slung behind him

"Land of Song!" cried the warrior bard,
(Should) "Tho' all the world betrays thee,
One sword, at least, thy rights shall guard,
One faithful harp shall praise thee!"

The Minstrel fell! But the foeman's chain
Could not bring that proud soul under
The harp he loved ne'er spoke again,
For he tore its chords asunder

And said "No chains shall sully thee,
Thou soul of love and bravery!
Thy songs were made for the pure and free
They shall never sound in slavery!"

(Chorus) And it's ^Gall for me grog, me ^Cjolly
 ^Gjolly grog
All for me beer and ^{D7}tobacco
Well I've ^Gspent all me tin with the ^Classies
 drinking
^GGin
Far across the western ^Docean I must (D7-G)
 wander

I'm sick in the head and I haven't been to bed
Since first I came ashore with me plunder
I've seen centipedes and snakes
And my head is full off aches
And I'll have to make a path for way out yonder

(Chorus)

Where are me boots, me noggin' noggin' boots
They're all sold for beer and tobacco
You see the sole's were gettin' thin
And the uppers were letting in
And the heels are looking out for better weather

(Chorus)

Where is me shirt me noggin' noggin' shirt
It's all gone for beer and tobacco
You see the sleeves they got worn out
And the collar was turned about
And the tail is looking out for better weather

(Chorus)

Where is me wife me noggin' noggin' wife
She's all sold for beer and tobacco
You see her front it got worn out
And her tail been kicked about
And I'm sure she's looking out for better weather

(Chorus)

Oh, where is me bed me noggin' noggin' bed
It's all sold for beer and tobacco
You see I sold it to the girls
And the springs they got all twirls
And the sheets they're looking out for better weather
